## THE JOSEPH DRAZENOVICH AWARD FOR LEGENDARY SERVICE

### **Bob Rodgers**

*2019 Recipient*

Bob Rodgers, a member of the NA graduating class of 1977, was a wrestling section champion at 145lbs during the 1976-1977 and a member of our #1 ranked team in Pennsylvania. Bob's efforts helped our team to an undefeated season, earning the West Penn Championship as well as being Section VI champions. Bob's love for the sport of wrestling and a passion to provide our district's youth with the very best experience was instrumental in the growth of the NA Junior Wrestling Program, as well as the NA Wrestling Boosters. Bob's efforts not only provided outstanding opportunities for our district's young people, but also our surrounding areas. The program of youth wrestling throughout Western Pennsylvania and the Commonwealth flourished under Bob's tenure.

Bob was extremely dedicated, and spent countless hours organizing area and state wrestling tournaments, which displayed the most competitive wrestling seen anywhere. Bob was instrumental in organizing clinics, and was known as the Leader, the Dean, the Man that made all good things happen with the sport of wrestling during his long tenure as a dedicated volunteer with our wrestling program.

Bob's positive influence, his efforts, and his vision for the sport of wrestling continues today through a most dedicated team of volunteers and parent group that have the strong desire to build upon the foundation and tradition of excellence established by the "Wrestling Family," according to Athletic Director Bob Bozzuto.

Bob Rodgers lives today through the efforts of Eric Stedeford, David Marx, Mark Coy, and many others. Bob Rodgers is survived by his wife, Pam, and children, Chris, Nick, Jesse, and Cara.

### **Eric Kofmehl** *2019 Recipient*

Eric is a 1970 graduate of North Allegheny. He was involved in high school as the school's sports photographer for the yearbook, school newspaper and local newspaper. Eric continued his academic career at Pitt and after his sophomore year went to night school for twelve of the next fourteen years where he obtained a bachelor's degree, master's in health services administration, master's in labor relations and a Ph.D. in higher education administration. He is a retired health care executive and is very active volunteering for numerous organizations throughout the North Allegheny Community.

Many were NA athletes like four time winner Mimi Overbaugh (volleyball), three time winner Elliott Burdwood (soccer), four time winner Grant Huckestein (football), and three time winner Matt Zellers (band). Eric continues to look for more scholarship applicants.

During the time Eric's children were growing up, he was involved for thirteen years in McCandless Baseball and Softball, NABA (basketball), and NA Soccer. He enjoyed coaching all these young kids.

Eric has had the privilege to know Bob Miller for over fifty years. He has served on church boards, committees, and ushering, with Bob. Eric always jokes about being Bob and Marge's newspaper boy fifty years ago! Bob got Eric involved on the original Baierl Center for Excellence in raising funds for its building. Bob also got Eric involved with the NA HOF board, as the local "NA sports historian". Bob and his son Brian coached Eric's sons, Scott and John, as volleyball players. Eric and Kathy served as booster volleyball leaders for four years for Scott and John's volleyball teams.

Eric has been married for over 45 years to his wife Kathy and has three grown children and three grandchildren. Eric is the proud grandpa of Talia, Kate and Jack.

Eric had an unexpected quintuple heart bypass surgery on January 9, 2019 and Bob Miller had a major health issue seven weeks later. This has made it even more of a privilege for Eric to receive this award that honors Bob.

Briana Pittman was a 2007 graduate and four year member of North Allegheny's highly successful and dominant Girls' Rowing Team. During her time at North Allegheny, Briana was a major factor in the commanding position that the program achieved within Western Pennsylvania. While representing NA, Briana medaled in a remarkable 31 events, including 10 first place finishes, one of which was in the Women's Junior 4x at the 2006 U.S. Rowing National Championships.

Briana would later compete in her Junior year at the Indoor Rowing World Championships, placing 10th in the U.S. and 15th in the world in the Junior women's division of the CRASH-Bs. That following summer between her junior and senior year, Briana was chosen as a member of the United States Junior National Team to compete in the Junior World Rowing Championships held in Amsterdam, the Netherlands.

Upon graduating from North Allegheny, Briana was offered a scholarship to the University of Wisconsin, where she would be a member of the Badger's nationally prominent rowing program. At Wisconsin, she continued her athletic achievements, contributing as an integral part of a team that would find themselves competing at four consecutive NCAA National Championships. In 2009 during the team's National Championship appearance, Briana made history as a member of the Wisconsin women's four, earning a silver medal, which is the highest placed women's crew in Wisconsin's history. In 2010, she was a member of the varsity eight that placed 10th at NCAAs, resulting in a seventh-place overall team finish. Once again, Briana contributed to yet another school record being broken, this time as the highest placed team that has ever finished at NCAAs for Wisconsin. To top that off, that same year the Badgers took home a Big Ten Championship, becoming the first and only Wisconsin team to do so. Heading into her senior year, after multiple record breaking seasons, Briana was named captain, leading the team to yet another year of success.

Following graduation, Briana went on to pursue a career in collegiate rowing. Her coaching stops have been at Bucknell University, Vesper Boat Club, and the University of Miami. While at Bucknell, she coached the first ever women's freshman eight to Dad Vail Gold. She also coached the women's varsity four and lightweight four to Dad Vail Silver along with a second place finish at the Patriot League Championships in the varsity four. During the summers of 2014 and 2015, Pittman was the head women's U23 coach at Vesper Boat Club. While at Vesper, Briana's crews won back-to-back US Rowing National Titles for the women's points trophy. In the summer of 2015, Briana coached the U23 lightweight double to the U23 World Championships in Plovdiv, Bulgaria along with a Gold medal finish in the U23 women's eight at the Royal Canadian Henley regatta. While at the University of Miami, Briana assisted in coaching the women's varsity eight to a gold medal at the 2016 San Diego Crew Classic.

Briana is grateful for the North Allegheny Rowing Association for providing such a strong foundation to the sport and is especially grateful for her coaches, Don Heckenstaller (North Allegheny) and Bebe Bryans (Wisconsin).

## William Sumner Brown

*Cross Country/Track & Field Class of 1962*

Bill Brown led the undefeated 1960 cross country team to WPIAL and PIAA team championships – the FIRST for any North Allegheny sport team in school history. Brown finished first individually in the WPIAL meet and second in the PIAA meet. He also led the team to victory with a second place finish (to teammate Bob Slaney) at the Hopewell Invitational Meet, and to victory in the Shaler Invitational with a first place finish.

During the 1961 track and field season, he ran the mile in school record time and anchored the mile relay team to help win the Shaler Invitational. His top five mile run finish at the WPIAL finals qualified him for the PIAA championship meet.

In Brown's senior year, he again led the Tigers to the WPIAL and PIAA team cross country championships. He finished second at the WPIAL meet and third in the PIAA meet. Earlier he led the team to victory at the Slippery Rock Invitational and the Hopewell Invitational meets with first place performances in each.

In the 1962 track and field season, Brown again set NA records in the mile and half-mile runs. He led the track team to a third place finish at the WPIAL championship meet – the highest finish in school history to that date. Individually he qualified for the mile run at the PIAA championships, finishing fourth.

As a top academic student he was elected to the National Honor Society as a junior.

After graduating from NA, he attended Massachusetts Institute of Technology (MIT). He led it's 1963 cross country team to victory in the Engineers Cup and the Boston University/Brandeis Invitational meets with first place finishes. He also had individual wins against University of New Hampshire, Wesleyan College, and the Coast Guard Academy. He was nineteenth in the NCAA III championship meet. In 1964 Brown registered individual wins in the Engineers Cup, and against Springfield College, Williams College, Boston College and the Coast Guard Academy. In 1963 and 1964 he placed third in the EICAA championships. In 1965 he was victorious once again in the Engineer Cup Invitational, and against Boston College, Springfield College and the University of New Hampshire. During that year he led his team to a ninth place finish at the Intercollegiate Association of Amateur Athletes of America championship meet. He also finished fifth in the 1965 New England Championships.

After graduating from MIT, Brown continued to run competitive races, including many marathons, for over 50 years. At age 75 he still runs several times each week. In 2000, William was named Road Runner of the Year for the 55-59 age group.

William Sumner Brown resides in Belmont, Massachusetts with wife Judy. William and Judy have a daughter, Lucy, and a son, David.

Ricky Mihm and Jack Wright led the way for the Tigers winning their events while the Tigers 400 Freestyle Relay team and the 200 Freestyle Relay team also came away with gold medals at the meet. Wright finished the PIAA Championship meet with three gold medals.

### Boys Swimming Relay Champions

North Allegheny won two relay events and had two individuals win events at the state championship last year. The Tigers won the 400 Freestyle Relay for the second year in a row. ## NORTH ALLEGHENY STATE CHAMPIONS

In the state championship meet in Hershey, Coach John Neff's squad recorded a team score of 90 points to finish 22 points ahead of second-place LaSalle College. Zachary Kinne and Daniel McGoey finished in second and third place respectively in the individual medals.

### North Allegheny Girls Cross Country

After finishing first in all but one regular season meet, Coach Neff's girls' cross country team dominated the 2018-19 WPIAL and PIAA Championships to win their fourth state title. It was the first time in PIAA history that both the boys' and girls' from the same school won state championships in the same year.
