VI-3574 *VIOLA xwittrockiana* 'Stormy Skies'

VI-8399 *VIOLA cornuta* 'Floral Power' Formula Mixture

VI-8481 *VIOLA cornuta* 'Floral Power' Super Stone Washed F1

VI-8499 *VIOLA cornuta* 'Floral Power' Super Form. Mix. F1

VI-9450 *VISCARIA oculata* 'Angel Mixed'

ZI-8585 *ZINNIA haageana* 'Jazzy Mixture'

HOW TO USE SAHIN'S CATALOGUE

Our 2011-2013 catalogue is prepared for companies supplying the consumer market. Products covered in the list are arranged in alphabetical order by genus, species, subspecies, series and variety name, or by series height when relevant. A key to the information provided in the layout is given below. All the information provided is for general guidance only and is based upon our experience under north-western European conditions. Further product information and promotional material is available on request. SAHIN does not offer genetically modified organisms. Misprints and errors may occur.

1 LATIN NAME and COMMON NAME

SYNONYM

The genus and species are presented. Widely used Latin synonyms are given and cross-referenced. Standard English common names are used and also appear in our index.

2 FAMILY NAME

3 BASIC PLANT TYPES

H	Hardy	B	Biennial
HH	Half Hardy	P	Perennial
T	Tender	S	Shrub
A	Annual	T	Tree

4 REMARKS

5 SERIES

6 ITEM CODE

Item codes used in this price list supersede any previous codes. Please use when ordering.

7 VARIETIES, DESCRIPTIONS

Variety names are given alphabetically.

- year of introduction follows all SAHIN bred proprietary varieties and introductions
- a brief diagnostic description
- abbreviations of awards and varietal protections:

AAS	All-America Selections Winner
FS-GM	Fleuroselect Gold Medal Winner
FS-Q	Fleuroselect Quality Mark
FS-N	Fleuroselect Novelty
AGM	Award of Garden Merit Royal Horticultural Society
PBR/PVP	Plant Variety Protection

• seed forms:

CS	Clean seed	PL	Pelleted
CT	Coated seed	RS	Rubbed seed
DW	Dewinged	SC	Scarified seed
GS	Graded seed	TC	Thiram coated
MP	Multi Pelleted		

8 HEIGHT

Approximate plant heights are given in centimetres.

9 USE AND APPLICATIONS

B Bedding plants
 C Cut flowers/Cut foliage/Cut berries
 D Dry flowers/Everlastings
 E Exotic foliage/Exotic house plants/Tropical
 F Fruits and nuts
 G Grasses including rushes and sedges
 H Heat tolerant/Heat resistant
 I Economic plant, i.e. cereal, dye, fibre, oil
 J Full sun
 K Alpine and rock garden plant
 L Landscaping
 M Medicinal and kitchen herbs
 N Shade
 O Perennial
 P Flowering pot plant/Tub plants/Patio plants
 Q Climbers and twiners
 R Rootstock
 S Succulents/Cacti
 T Ground cover
 U Unique within the genus or species
 V Vegetables
 W Wildflower
 X Xerophytes and drought-tolerant plants
 Y Attracting beneficial insects and hummingbirds

This symbol is used to mark our products belonging to the group of Instant Perennials, Sahin's original concept for perennials which flower in the first year from seed.

10 FLOWERING TIME

The duration of flowering in months of the year. No information is supplied for foliage plants, etc.

11 SEED COUNT

An indication of the average seed count is expressed in the number of seeds per gram or per kilo if printed bold. Variation between lots occurs.

	<i>COREOPSIS</i> xhybrida (Tickseed)	1	Asteraceae	2	HA-HHA	3	REMARKS	4			
	5 'Incredible!' series										
6	CO-5930	7	'Mid Mix' (SAHIN 2011) as amazing as Tall Mix, just a bit shorter	8	80	9	BCHJLU	10	06-10	11	3400
