emotions with ornamental grasses

Wide assortment

foliar colours, leaf shapes, height

Più di 150 specie e varietà tra cui scegliere. Fantastici colori delle foglie, in forme diverse; infiorescenze colorate in tantissime tonalità. Piante di dimensioni diverse per ogni esigenza. Piante a bassa manutenzione, rustiche, molte resistenti al freddo, di grande effetto. In vaso 14 cm (1,2 lt) e 19 cm (3 lt). Un assortimento che permette di giocare con la fantasia, nel giardino sia in pieno sole che in ombra piena.

More than 150 species and varieties to choose from.

Fantastic foliage colours, with different leaf shapes; colourful inflorescences in many shades.

Plants of various sizes for every needs

Low maintenance plants, hardy, most of them frost resistant, greatly impressive.

In 14 cm pot (1,2lt) and in 19 cm pot (3 lt).

An assortment that let you play with the imagination, in your garden in full sun places until deep shade.

Plus de 150 espèces et variétés à choisir.

Couleurs fantastiques des feuilles, en différentes formes, inflorescences colorées dans de nombreuses nuances.

Plantes peu d'entretien, robuste, les plus résistant au froid, au grand effet.

En pots de 14 cm (1,2 lt) et de 19 cm (3 lt) plus grands.

Un assortiment qui vous permet de jouer avec l'imagination, dans les jardins au plein soleil jusqu'à en ombre
