

# ACORUS

## **Acorus calamus 'Variegatus'**

### *Variegated Sweet Flag*

Fragrant, flat fan-shaped leaves with showy white and green stripes are often flushed pale pink in spring. Creates a lush appearance at pond edges or in a moist garden.

Zone: **4a**    H: 12"    W: 16"  
                  H: 30cm    W: 40cm

## **Acorus gramineus 'Oborozuki'**

### *Grassy-Leaved Sweet Flag*

Small tuft of bright gold grass-like foliage accented with green striping. Known for its pleasant scent when crushed. Perfect for a moist or boggy area.

Zone: **4**            H: 12"    W: 6"  
                          H: 30cm    W: 15cm

## **Acorus gramineus 'Variegatus'**

### *Dwarf Variegated Sweet Flag*

Fans of grasslike leaves resemble miniature tufts of iris. 0.25" wide leaves are 1.5' long with a white edge. May be used in wet or dry conditions.

Zone: **2**            H: 12"    W: 10"  
                          H: 30cm    W: 25cm

# ANDROPOGON

## **Andropogon scoparius**

### **'Prairie Blues'**

#### *Little Bluestem*

Deciduous, clumping warm season perennial grass produces consistent grey-blue foliage. Narrow foliage takes on red to orange tones in fall. In late summer silvery seed heads appear and last into fall.

Zone: **2**      H: 36"    W: 18"

H: 90cm    W: 45cm

# CALAMAGROSTIS

**Calamagrostis acon. 'Avalanche'**

*Feather Reed Grass*

Clump-forming perennial has green strap-like foliage with a wide white band down the centre. In midsummer the grass is topped with creamy plumes that turn a rich gold in fall.

Makes a great vertical accent in the garden.

Zone: 3     H: 48"     W: 23"

H: 122cm   W: 60cm

**Calamagrostis 'Karl Foerster'**

*Feather Reed Grass*

Upright clumping, ornamental grass with pinkish blooms turning gold, held above the leaves. Ideal vertical accent or in groups. Perennial Plant of the Year 2001.

Zone: 4     H: 48"     W: 23"

H: 120cm   W: 60cm

**Calamagrostis x acutiflora**

**'El Dorado'**

*Feather Reed Grass*

Clump-forming perennial has narrow, cascading green leaves with a bright gold centre. Smokey-purple flowerheads appears in early summer.

Zone: 4     H: 48"     W: 23"

H: 120cm   W: 60cm

**Calamagrostis x acutiflora 'Overdam'**

*Variegated Feather Reed Grass*

Beautiful flowering ornamental grass has variegated leaves and plumes of yellow flowers appearing in summer and persisting through winter. Evergreen in warm climates.

Zone: 4     H: 36"     W: 24"

H: 90cm   W: 61cm

**Carex comans 'Bronze New Zealand'**

This fine-textured, evergreen plant has thin, bronze hair-like leaves. Plant in groups for erosion control or individually as a specimen or accent.

Zone: 6 H: 12" W: 12"  
 H: 30cm W: 30cm

**Carex comans 'Frosted Curls'**  
*New Zealand Hair Sedge*

Finely textured, evergreen grass with narrow, hair-like curly leaves with a frosty, iridescent appearance.

Zone: 6 H: 8" W: 12"  
  H: 20cm W: 30cm

**Carex conica 'Marginata'**  
*Variegated Sedge*

Grass-like, clumping plant with attractive, variegated cream and green foliage. Good groundcover for massing and moist, boggy areas.

Zone: 5 H: 8" W: 8"  

**Carex glauca**  
*Blue Sedge*

Popular, perennial grass. Compact ornamental with silvery blue foliage. Excellent in mass plantings, low borders or along walkways.

Zone: 4 H: 6" W: 12"  
 H: 15cm W: 30cm

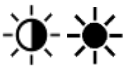

**Carex 'Kaga Nishiki'**

*Sedge*

Clumping evergreen sedge with gold striped, lustrous, green, arching foliage. Good ground cover.

Zone: 5 H: 12" W: 20"  
H: 30cm W: 50cm

**Carex oshimensis 'Evergold'**

*Japanese Sedge*

Semi-evergreen variegated green and creamy-beige foliage with a graceful, arching habit.

Zone: 6a H: 12" W: 12"  
H: 30cm W: 30cm

**Carex siderosticha 'Variegata'**

*Variegated Broadleaf Sedge*

Deciduous, ornamental grass with striking green and white variegated foliage. Rich pink new growth. In ideal groundcover for shady areas.

Zone: 4 H: 12" W: 24"  
H: 30cm W: 60cm

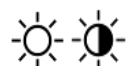

**Carex x 'Ice Dance'**

*Ice Dance Japanese Sedge*

A brilliant addition to the shade border. A dense mound of arching green leaves edged in pure white. Prefers moist soil.

Zone: 4 H: 16" W: 12"  
H: 40cm W: 30cm

**Carex x 'The Beatles'**

*The Beatles Sedge*

Well known for its mop-headed form, this grass boasts long, draping medium green foliage with insignificant brown flowers in summer.

Zone: 5 H: 8" W: 8"  
H: 20cm W: 20cm

**Chasmanthium latifolium**

*Northern Sea Oats*

Ornamental grass valued for its flattened spikelets that take on a handsome bronze fall colour.

Zone: 2 H: 36" W: 24"

**Cortaderia selloana rosea**

*Pink Pampas Grass*

Large clumping ornamental grass offers showy pink plumes. Good screen or specimen accent. Useful in floral arrangements.

Zone: 7 H: 84" W: 35"

**Deschampsia cespitosa**

*'Goldstaub'*  
*Tufted Hair Grass*

Clump-forming ornamental grass forms a low mound of dark green leaves topped by airy clusters of tiny, golden flowers in summer.

Zone: 3 H: 36" W: 8"  
H: 90cm W: 20cm

**Elymus arenarius 'Glauca'**

*Blue Lyme Grass*

Ornamental grass with arching metallic blue foliage and a spreading habit. Striking foliage is great contrast to bright colourful annuals and perennials.

Zone: 3 H: 24" W: 36"  
H: 60cm W: 90cm

# FESTUCA

**Festuca 'Blue Fox'**  
*Blue Fescue*

Dwarf grass with silver-blue semi-evergreen foliage. Small, upright plumes appear in summer and fade to tan in fall.

Zone: **5a** H: 6" W: 8"

H: 15cm W: 20cm

**Festuca cinerea 'Elijah's Blue'**  
*Blue Fescue*

Striking fine-textured clumping grass with spiky steely blue foliage. Exciting colour accent or unusual mass plantings.

Zone: **3** H: 12" W: 8"

H: 30cm W: 20cm

# HAKONECHLOA

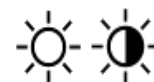

**Hakonechloa macroa**

*Japanese Forest Grass*

Well loved for its graceful, arching branches and tough durability in the garden. Slender, blade-like, green leaves cascade down in a graceful form. Adaptable to sun, part sun, and shade locations.

Zone: **5** H: 18" W: 8"

H: 45cm W: 20cm

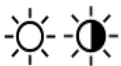

**Hakonechloa macro 'All Gold'**

*Japanese Forest Grass*

Clump growing ornamental grass with exceptional pure gold foliage that lasts through summer's heat.

Zone: **5** H: 10" W: 24"  
H: 25cm W: 60cm

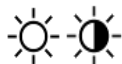

**Hakonechloa macro 'Albostriata'**

*Japanese Forest Grass*

Forms a low mound of arching stems. With cascading layers of narrow leaves striped with green and creamy-white. Graceful effect is similar to a dwarf bamboo. Tiny green flowers bloom in summer. Clumps are slow to grow, but eventually makes a spectacular edging.

Zone: **5** H: 18" W: 12"  
H: 45cm W: 30cm

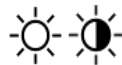

**Hakonechloa macro 'Aureola'**

*Japanese Forest Grass*

Graceful, colourful groundcover for shady areas in the garden. Slender stems hold bright yellow foliage with this green stripes.

Zone: **4** H: 18" W: 18"  
H: 45cm W: 45cm

**Helictotrichon  
sempervirens**

*Avena Blue Oat Grass*

Dome-shaped, clump-forming grass with intense blue foliage. Arching beige to yellow flower spikes in summer.

Zone: **3**    H: 30"    W: 24"

H: 75cm W: 60cm

**Helictotrichon sempervirens 'Sapphire'**

*Blue Oat Grass*

Ornamental grass with creamy flower spikes held over steel blue foliage in summer. The best variety for hot summer areas. Disease resistant.

Zone: **3**    H: 24"    W: 24"

H: 60cm W: 60cm

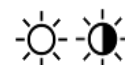

**Imperata cylindrica rubra**

*Red Baron Grass*

Striking ornamental grass with red tipped new growth that turns blood-red with age. Excellent in borders or mass plantings.

Zone: **5**    H: 18"    W: 24"

H: 45cm W: 60cm

# LIRIOPE

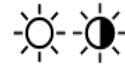

## Liriope muscari

### *LilyTurf*

Perennial plant with grass-like, clumping foliage and stalks of lilac-purple blooms. Good groundcover or border planting.

Zone: 6    H: 18"    W: 24"  
H: 45cm    W: 60cm

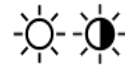

## Liriope muscari 'Big Blue'

### *Blue Lily-turf*

Tufted-perennial produces dense clumps of strap-like, dark green leaves. From late summer to early autumn, spikes of bright violet flowers appear. Drought tolerant.

Zone: 5    H: 18"    W: 15"  
H: 45cm    W: 38cm

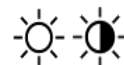

## Liriope spicata 'Silver Dragon'

### *Liriope*

Striking, silvery-white and green grass-like foliage grows in clumps with whorls of clustered spikes of purple flowers maturing to black seed pods in fall.

Zone: 5    H: 18"    W: 12"  
H: 45cm    W: 30cm

# MISCANTHUS

**Miscanthus sinensis**  
**'Bolero'**  
*Maiden Grass*

Broad leaved cultivar with grayish green foliage with a twinge of purple eventually turning all purple. Blooms summer into fall.

Zone: **4a** H: 60" W: 114"

H: 150cm W: 60cm

**Miscanthus sinensis**  
**'Giganteus'**  
*Chinese Silver Grass*

This tall perennial grass has long, stiff, upright leaves. Pink blooms are held from fall into winter.

Zone: **3** H: 144" W: 35"

H: 3.6m W: 90cm

**Miscanthus sinensis**  
**'Gracillimus'**  
*Maiden Grass*

Ornamental grass with silver-striped foliage topped by silvery plums in late summer or fall. Ideal in mass plantings or as a screen.

Zone: **4** H: 84" W: 31"

H: 214cm W: 80cm

**Miscanthus sinensis**  
**'Graziella'**  
*Maiden Grass*

Perennial ornamental grass with narrow, arching leaves turning bronze to orange in autumn. Good specimen, mass or border planting.

Zone: **5** H: 84" W: 31"

H: 214cm W: 80cm

**Miscanthus sinensis**  
**'Little Zebra'**  
*Little Zebra Maiden Grass*

Clumping perennial with a tidy, compact mound of green foliage with prominent yellow horizontal banding. Wine-purple plumes emerge in fall and change to creamy-tan in winter.

Zone: **4** H: 48" W: 29"

H: 120cm W: 75cm

**Miscanthus sinensis**  
**'Morning Light'**  
*Maiden Grass*

A lovely shimmering-like grass with light green leaves and thin, white margins. Reddish brown flower plumes appear late summer.

Zone: **5** H: 60" W: 31"

H: 150cm W: 80cm

# MISCANTHUS

**Miscanthus sinensis  
'Purpurascens'**  
*Purple Silver Feather*

Showy silver-white flower plumes borne over handsome greenish-red leaves. Orange to dark red fall and winter foliage adds year round interest.

Zone: **4** H: 48" W: 29"  
H: 120cm W: 75cm

**Miscanthus sinensis 'Super  
Stripe'**  
*Super Stripe Miscanthus*

Wonderful specimen plant with green and gold banding on upright foliage. Honey-brown bloom spikes emerge in fall and resist through winter.

Zone: **4** H: 48" W: 40"  
H: 120cm W: 100cm

**Miscanthus sinensis var.  
strictus**  
*Porcupine Grass*

This tall perennial grass has long, stiff, upright leaves with horizontal yellow bands. Silver-blooms are held from fall into winter.

Zone: **4** H: 96" W: 40"  
H: 240cm W: 100cm

**Miscanthus sinensis  
'Variegatus'**  
*Variegated Maiden Grass*

Perennial ornamental grass with white stripes on dark green leaves and feathery plumes in fall. Good specimen, mass or border planting.

Zone: **5** H: 84" W: 40"  
H: 214cm W: 100cm

**Miscanthus sinensis 'Zebrinus'**  
*Zebra Grass*

Unique ornamental grass has distinctive horizontal yellow markings throughout long green grassy foliage. Showy flower plumes rise above large clumps of foliage in late summer to autumn.

Zone: **5** H: 72" W: 31"  
H: 180cm W: 80cm

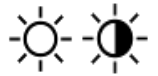

**Ophiopogon planiscums 'Niger'**  
*Black Mondo Grass*

A stemless plant that features narrow, linear, blackish-purple leaves. White, bell-shaped flowers with pink to lilac tinting bloom in summer.

Zone: 5 H: 12" W: 10"

H: 30cm W: 25cm

# Panicum

**Panicum virgatum 'Blue Giant'**  
*Switch Grass*

Beautiful clumping grass that provides strong, bold vertical texture to the garden. Dusty blue-green leaves are topped with masses of creamy coloured flower heads in late summer  
Zone: 5 H: 72" W: 24"  
H: 180cm W: 61"

**Panicum virgatum 'Heavy Metal'**  
*Switch Grass*

Handsome, durable clumping deciduous grass with stiff, metallic blue leaves and airy flowers rising above the foliage through winter.  
Zone: 3 H: 60" W: 31"  
H: 150cm W: 80cm

**Panicum virgatum 'Dallas Blues'**  
*Switch Grass*

An improved selection with large, upright airy flower clusters from late summer to winter. Foliage colour deepens to rich purple in fall.  
Zone: 1 H: 48" W: 36"  
H: 120cm W: 90cm

**Panicum virgatum 'Prairie Fire'**  
*Red Switch Grass*

Features tight, upright clumps of bluish stems and slender burgundy foliage, all topped with pink-tinted flowers in late summer. Foliage turns fiery red in Fall.  
Zone: 3 H: 60" W: 29"  
H: 150cm W: 75cm

# Pennisetum

**Pennisetum alopecuroides  
'Little Bunny'**  
*Dwarf Fountain Grass*

This cute little ornamental grass has a mounded habit of dark green foliage that turns golden russet in fall. In summer the mounds are topped with fluffy, creamy white flower plumes.

Zone: 5    H: 12"    W: 12"  
    H: 30cm    W: 30cm

**Pennisetum alopecuroides  
'Little Honey'**  
*Variegated Fountain Grass*

Dwarf, clump-forming grass with green and silver variegated leaves. Showy, bristle-like flower plumes appear in summer.

Zone: 4    H: 8"    W: 10"  
     H: 20cm    W: 25cm

**Pennisetum alopecuroides  
'Hameln'**  
*Fountain Grass*

Vigorous, clumping ornamental grass with dark green foliage and showy, fluffy greenish flowers that mature to tan. Plant in groups or as a specimen.

Zone: 5    H: 15"    W: 24"  
    H: 38cm    W: 60cm

**Pennisetum alopecuroides  
'Red Head'**  
*Red Head Fountain Grass*

Large, vigorous, mound-shaped ornamental grass topped with fuzzy, soft purplish red flower spikes in summer. Foliage turns shades of gold to orange in fall. Excellent cut flower.

Zone: 4    H: 48"    W: 23"  
    H: 90cm    W: 60cm

**Phalaris arundinacea 'Feesy'**  
*Ribbon Grass*

Gracefully arching, variegated white and green, spreading evergreen grass with small purplish flower spikes in summer. Happy in moist, well-draining soil.

Zone: **3b** H: 24" W: 36"  
H: 60cm W: 90cm
