## **Mike Buchert**

*Football*

*Coach*

The foundation for success of any football program begins and ends with having the ability to score points no matter if it is running the football or throwing it. North Allegheny has a reputation of winning football with an aggressive and physical style of play. There is no coincidence that the program's offensive line coach since 1987 has been Mike Buchert. He believes the game should be played at a high level with fundamentally sound technique. Except for a brief stint as Seneca Valley's Head Football Coach, Mike has prepared many of our young men for offensive line play at the high school, collegiate and professional levels. For thirty-two years he was a valuable varsity assistant football coach, an innovative offensive coordinator with the ability and creativity to run multiple offenses including the Wing T to multiple formation sets. During Mike's tenure at North Allegheny, the football program had thirty playoff appearances, winning numerous section titles, 17 WPIAL semi-finalist appearances, 6 WPIAL Final appearances: winning in 1990, 2010, 2011 and 2012, and three PIAA State Championships in 1990, 2010, and 2012.

Mike's winning ways began everyday as a Senior High Mathematics Teacher and extended to the football field. Mike expected greatness in the classroom as well as on the field. Last June, Mike retired from teaching and coaching. Mike is most proud of the outstanding relationships he has developed over the years with many of his players. Mike and his offensive lineman raised money for the UBO Toys for Tigers program and shopped for the toys to bring smiles to the children during the holiday season. Mike developed an annual alumni event each December whereby former players would get together to stay connected with "family".

Mike will always be known for being a tough and fair coach with elevated expectations, but for those that played for him, Coach Buchert, is a caring and warm individual that prepared his players for all competitions, but most importantly, prepared them to become lifelong learners in an ever-changing world.

Mike and wife, Judy have two sons, Michael, and Jason.

# 2021 NORTH ALLEGHENY STATE CHAMPIONS

## CHAMPIONS

### North Allegheny Girls Cross Country

It was another dominating 2021 for Coach John Neff's girls cross-country team as they went 8-0 in dual meets along with winning all three invitationals they participated in along with another WPIAL title and their seventh state title. The NA girls team made history by being the first AAA team in PIAA history to win four state golds in a row. In Hershey, the girls' finished an astonishing 87 points in front of second place Dallastown. Eva Kynaston paced the Tigers in the state title meet finishing in fifth place. Wren Kucler was right behind Kynaston in sixth place.

### North Allegheny Boys Cross Country

The NA boys' cross country team continued their dominant run as well, winning their second state championship in a row and third in four year. In the state championship meet in Hershey, North Allegheny was in second place by 11 points with 1.1 miles to go, from there the Tigers would storm into the team lead and ultimately beat second place La Salle College by 62 points. Senior Scott Nalepa saved his best race for last, leading the Tigers and finishing the meeting in eighth place. Jack Bertram finished in 13th.

## CHAMPIONS

### North Allegheny Girls Volleyball

In 2021, Coach Russ Hoburg's team saw a 57-match section winning streak end but was able to bounce back and finish the season with a 20-1 record, win their fourth WPIAL title in five years, and their fifth straight state championship. In the state final, North Allegheny beat Parkland by set scores of 23-25, 27-25, 25-18 and 25-15 at Cumberland Valley High School. Carissa Treser led the Tigers with 14 kills in the match. Jady Perkins finished with 12 blocks, Mia Tuman had 39 assists and Caroline Curran was huge on defense with 25 digs.

### North Allegheny Boys Volleyball

Coach Dan Schall's boys' volleyball team saw their astonishing 75-match winning streak come to an end at the hands of Seneca Valley in 2021, but that did not change how the season ended as they finished the regular season 18-1, got revenge on Seneca Valley in the WPIAL Championship in a 5-set thriller and went on to win their fourth straight state championship defeating Parkland 23-25, 25-16, 25-12 and 25-23 at Penn State University's Rec Hall. It was North Allegheny boys' volleyball's ninth overall PIAA title. Over the past four seasons, North Allegheny has posted a record of 83-1. Including the North Allegheny girls' volleyball program, the two teams have a combined record of 191-3 over the past five seasons with a combined nine PIAA titles in that span. The only PIAA championship not won by an NA over the last five years was in the spring of 2020 as no season took place due to the COVID-19 pandemic.
