PRESIDENT
WASHINGTON STATE UNIVERSITY

CONGRATULATIONS ON YOUR ACCOMPLISHMENTS!

Congratulations, Class of 2021, on completing the requirements for an academic degree from Washington State University. It is an honor to celebrate the outstanding achievements that brought you to this pivotal moment.

I salute your efforts, as well as those of everyone who helped you reach this milestone. In the face of COVID-19, you demonstrated the resiliency and can-do attitude that Cougs are known for worldwide. You adapted, persevered, and stayed focused on the ultimate prize of earning a degree.

Now, and with the mentoring of the entire WSU community and the support of your family and friends, you have completed a monumental learning journey. Take time to celebrate this life-changing accomplishment.

As you join a Cougar alumni community that spans the globe, I encourage you to remain involved with your alma mater. As you know, “Once a Cougar, always a Cougar.” Going forward, you’ll find that your WSU friends, colleagues, and Cougar alums always have your back—both professionally and personally.

Best wishes, and Go Cougs!

Washington State University

WSU PRESIDENT KIRK SCHULZ

Kirk Schulz is nearing the end of his fifth year as president of Washington State University. He became the 11th president of WSU and a tenured professor in the Gene and Linda Voiland School of Chemical Engineering and Bioengineering on June 13, 2016, after a seven-year tenure as the president of Kansas State University. President Schulz has made a remarkable impact while serving as WSU’s chief executive. The milestones achieved under his leadership include record student enrollment, record research and development expenditures, the addition of new academic degree programs to meet state needs, and the continued growth of the Elson S. Floyd College of Medicine, which will graduate its first class of students in May, marking another major achievement in the University’s efforts to change the face of health care in Washington.

GPSA PRESIDENT,
LEGISLATIVE AFFAIRS

To the Spring Graduates of the Class of 2021,

On behalf of your student governments, the Associated Students of Washington State University, the Associated Students of Washington State University Global, and the Graduate and Professional Student Association, congratulations on reaching this amazing milestone and graduating from Washington State University! We would like to take a moment and applaud you on this remarkable accomplishment. All of the struggles, successes, and self-discovery over the years have amounted to this moment of reflection and celebration. You have worked hard to be sitting where you are today, so carry your degree with pride!

Throughout your time at WSU, we hope that you took advantage of the student involvement activities, research opportunities, and student services offered in addition to your academics. This well-rounded educational experience is unique; we encourage you to spread this knowledge and allow it to guide you as you make your contributions to the world.

Commencement marks one of the most joyous landmarks in your academic path. Reflect on your journey to today, and dream of where you will go. While you may feel you are being ejected into a world of uncertainty, your time here at Washington State University has equipped you to navigate the challenges that lie ahead. Your path to graduation is proof that you have developed the resilient characteristics of a WSU Cougar, especially in a year with as many unpredictable challenges as this one. As you move forward to your next endeavors, remember that Washington State University will always be your home. We encourage you to remain engaged with fellow Cougars as an active alumnus. Stay connected with the friends and faculty who impacted your experience at WSU. Most importantly, remember that commencement represents the beginning of a new journey, just as promising as the last.

Once again, congratulations on your academic achievements; ASWSU, ASWSUG, and GPSA wish you the best of luck moving forward.

Your WSU experience spanned extraordinary milestones: ESPN College GameDay visited Pullman. A solar eclipse cast a shadow across Washington. The Jordan Schnitzer Museum of Art/WSU opened in the "crimson cube." The Elson S. Floyd College of Medicine welcomed its charter class. The winningest team in WSU women's soccer history advanced to the College Cup. Cougs Feeding Cougs launched to fight hunger at WSU. Mustached Gardner Minshe led the Cougs to an 11-2 record. The COVID-19 pandemic drove classes online.

ALMA MATER

Washington, my Washington,
the Crimson and the Gray!

'Tis the song of memory
that we sing today.

When the sad hours come to you
and sorrows 'round you play,

Just sing the songs of Washington,
the Crimson and the Gray!

Just sing the songs of Washington,
the Crimson and the Gray!
