**Class 10 - Old World hybrids, Saintpaulia hybrids**

Saintpaulia 'Honey Blue Angel'  
Johnnie Berry

Saintpaulia hybrid Amanda Overla

Saintpaulia 'Jolly Jubilee'  
Celeste Matthews

Saintpaulia 'Optimara Modesty'  
Celeste Matthews

Saintpaulia 'Pixie Runaround Sport'  
Celeste Mathews

Saintpaulia 'Vallarta Campanas Morodas'  
Johnnie Berry

The background features a stylized illustration of three blue flowers with yellow centers and green leaves. The flowers are arranged in a row, with the central one being the largest and most prominent. The leaves are green and pointed, positioned behind the flowers. The entire scene is set against a solid black background.

# Section B - Gesneriads grown for Ornamental Value

Class 11 - New World Gesneriads

*Diastema latiflorum*  
Erika Mavity

*Episcia* 'Alice's Aussie'  
Amanda Overla

*Episcia* 'Cleopatra'  
Brad Walker

*Episcia* 'Party Girl'  
Pam Braun

*Episcia* hybrid.  
Stephen Maciejewski

*Episcia* 'Silver Skies' (reverted)  
Sally Miller

A close-up photograph of a plant with dark, velvety leaves and a green stem. The leaves are ovate with serrated margins and prominent venation. The plant is growing in a dark, possibly soil-filled container. The background is a reddish-brown surface.

*Kohleria amabilis* var *bogotensis*  
Pam Braun

The background features a stylized illustration of three blue Gesneriad flowers. The central flower is the largest and most prominent, showing a yellow stamen. It is flanked by two smaller flowers. Above the central flower, there are green leaves and a light blue, bell-shaped structure. The entire scene is set against a black background.

# Section B - Gesneriads grown for Ornamental Value

Class 12 - Old World Gesneriads

*Primulina dryas* 'Hisako'  
Erika Mavity
