CONSERVATION AND LAND MANAGEMENT

CM301

WILDLIFE CONSERVATION ACT 1950

WILDLIFE CONSERVATION (RARE FLORA) NOTICE 1995

Made by the Minister under section 23F.

Citation

1. This notice may be cited as the *Wildlife Conservation (Rare Flora) Notice 1995*.

Interpretation

2. In this notice —

“**extant**”, in relation to taxa, means still existing in their original state;

“**protected flora**” means any flora belonging to the classes of flora declared by the Minister under section 6 (6) of the Act to be protected flora by notice published in the *Gazette* of 9 October 1987, at p. 3855;

“**rare flora**” has the meaning given by section 23F (1) of the Act;

“**taxon**” includes any taxon that is described by a genus name and any other name or description.

[*Note. The plural form of “taxon” is “taxa”.*]

Rare flora

3. Subject to clause 4, all taxa of protected flora specified in Parts 1 and 2 of Schedule 1 are declared to be rare flora throughout the whole of the State.

Certain protected flora excluded

4. Clause 3 does not apply to those plants of a taxon of protected flora specified in Schedule 1 that are growing in a domesticated or cultivated state.

Revocation

5. The *Wildlife Conservation (Rare Flora) Notice 1994** is revoked.

[* Published in Gazette of 12 August 1994 at pp. 4024-7.]
