Trojans Dazzle At The NCAA Outdoor Championships

- Women win 3rd team title; Men place 5th •

Above left, Isaiah Jewett set the USC record and won the Trojans' first NCAA 800m title to help lead USC to a fifth-place finish at the NCAA Championships. Above right, Anna Cockrell led the women's team to the NCAA title by winning the 100m hurdles and 400m hurdles titles, only the second women's athlete to win both titles at a single championship. Below, USC celebrates winning the 2021 women's team title, its third in program history.

2022 USC Season Outlook

USC SET TO BE A NATIONAL FACTOR AGAIN

The 2022 USC track and field season promises to be another exciting one, filled with personal bests, records and high-level results for both the individuals and the teams. The 2021 season was another historic one as the women's team won its third NCAA title in program history and the men's team placed fifth.

A lot has changed with the program since then with the graduation of many of its star athletes which accounted for a bulk of the team scoring, but the cupboards are far from barren. Also, the biggest change may be at the top where the program is now in the capable gold medal-clutching hands of Quincy Watts, who has been a key figure in the development of the program's success

The women's short-sprints corps seemed to take the biggest hit, but may still turn out to be a strength. Kentucky transfer Celera Barnes has shown incredible improvement during the Fall and seems poised for a breakout campaign. Also, Watts was able to get a late mid-season add in fast-developing freshman sprinter Samirah Moody, who spent the Fall at Villanova before coming to USC. Additionally, returning redshirt senior Zion Corrales Nelson, junior sprinter Chioma Okonkwo and freshman Makhaila Mills will figure prominently in USC's short sprints.

The 400m runners have been a strength of the Trojans for awhile and who better to work with them than the 1992 Olympic 400m gold medalist Watts. Two-time NCAA indoor champion Kaelin Roberts and senior Bailey Lear, who ranks sixth on USC's all-time list in the event, are the veterans on the squad. Junior Jan'Taijah Ford and sophomores Kimberly Harris and Rae-Anne Serville assure that the event remains a Trojan strength. Ford and Harris rank third and eighth respectively on USC's all-time indoor 400m list and Ford earned 2022 indoor All-America honors in the event.

The middle distance program is developing quickly and the depth and talent of its runners is the best it has been in a long time for USC. Seniors Alyssa Brewer and Jemima Russell anchor the squad with Brewer ranking seventh and Russell eighth on USC's all-time outdoor 800m list. Freshman Gigi Maccagnini was the 2019 U18 Oceanian Championships gold medalist in the 800m and has run sub-2:05. Junior Mt. SAC transfer Janiah Brown also has run under 2:07. Included in the Trojans depth in the distances are senior Julia Bounds, juniors Loyola (Ill.) transfer Mihajla Milovanovic and Brooke Rodi, sophomores Arizona transfer Alyssa Blockburger and Alicia Liera and freshmen Isabelle Cairns, Maya Lacamp, Giovanna Pisano and Ritika Singh. In addition, freshman Jacqueline Duarte won numerous California state and sectional titles in the 800m and 1500m is on the team, but will likely redshirt this season as she recovers from injury.

The biggest change for the women will be in the hurdles where Olympian and dual NCAA champion in the hurdles Anna Cockrell has moved on due to graduation and grad student Mecca McGlaston exhausts her eligibility after the indoor season. Sophomore Jasmine Jones had an outstanding first season as a Trojan, running the sixth-fastest 100m hurdles time in school history, took second in the 100m hurdles at the Pac-12 Championships and earned second-team All-America honors in the event. She also earned first-team All-America honors by running the leadoff leg in USC's NCAA champion 4x100m relay. Sophomore

Kenya Payne and freshman and 2021 Texas high school champion hurdler Jalaysiya Smith are also in the mix.

Junior Breanna Bernard-Joseph ranks ninth on USC' all-time 400m hurdles list, placed seventh in the event at the Pac-12 Championships and earned honorable mention All-America honors last season. Freshman Maci Simmons adds depth at the position and won the 400m hurdles at the AAU Junior Olympic Games in Texas this past summer. She scored in both the 300m hurdles and 100m hurdles at the Texas 6A high school championships.

The throws are always a strength of a Trojan team and this season it will be no different. Graduate student Joy McArthur made great strides in the hammer throw last season, posting the fifth-farthest mark in school history. She also placed sixth in the event at the Pac-12 Championships and advanced to the NCAA West Preliminary Rounds. Sophomore Summer Mosley is a developing talent in the throws who looks like she could take aim at 200 feet in the hammer throw and 175 feet in the discus throw. Senior Karlee Freeman returns as the Trojans top thrower in the discus throw and shot put, ranking fourth and ninth respectively on USC's all-time lists. Redshirt freshman Abbey Knoll adds depth in the hammer throw and sophomore Annabel Doherty returns in the javelin throw.

Sophomore Temi Ojora is USC's lone returner in the jumps, but she is a great weapon for the Trojans. Ojora earned first-team All-America honors in the triple jump as a freshmen and sent the Trojans' freshman record in the event of 44-8.25. She finished second in the triple jump and sixth in the high jump at the Pac-12 Championships. The men's team also will have big shoes to fill with the graduation of Olympian, school record-holder and NCAA 800m champion Isaiah Jewett, but seems to have a broad spectrum of talent and depth to bring some very positive results.

Senior sprinter Davonte Burnett seemed to come into his own at the end of the 2021 season, earning first-team All-America honors in the 100m and 200m, with perhaps only an injury keeping him from making Jamaica's Olympic team. He ranks tied for fifth on USC's all-time 100m dash (10.05) and ninth on its 200m (20.29) lists, and this winter won the NCAA 60m title with a school-record of 6.50. The Trojan sprints corps is very deep and talented and should be fun to follow all season, with several of the individuals showing top-notch range from the 100m to the 400m.

Seniors Brendon Stewart, Eric Allen Jr., Daniel Robinson and Zach Shinnick return to provide the foundation for the sprints team. Stewart ranks fifth on USC's all-time indoor 60m list and placed sixth in the event at the 2022 NCAA Indoor Championships to earn All-American honors. Allen Jr. has battled injuries since his arrival to USC, but has demonstrated his talent when healthy ranking among USC's top 10 indoors in both the 60m and 200m and being a key contributor on the relays. Robinson has ranked among USC's top five sprinters in each season he has competed for the Trojans. Shinnick has battled injuries, but in between has posted some impressive times. Shinnick ranks second all-time to Michael Norman on USC's indoor 400m list and is seventh in the Trojans' indoor 200m list. Shinnick also ran the third leg for USC's 2018 NCAA champion 4x400m relay which set the collegiate record with a time of 2:59.00. A key new piece to this group is graduate transfer Kasaun James from Florida State. He was an NCAA 100m semifinalist in 2021 and had tied the USC 60m dash record of 6.55 this indoor season, before Burnett broke it while winning the NCAA title.

The lone junior in the sprints group is Nicholas Ramey who ranks sixth on USC's indoor 400m list and ranks on three of USC's top 10 indoor 4x400m relays and on the fifth-best all-time outdoor relay. Sophomore Ashton Allen will be utilized primarily in the 200m, 400m and relays, while sophomore transfer from Arizona Johnnie Blockburger has shown success collegiately at the 100m, 200m and 400m. He was the 2021 Pac-12 400m dash champion with a time of 45.57 and was named the Pac-12 Men's Freshman of the Year. The freshmen expected to make an impact this season are Gavin Schurr and Curtis Johnson III. Schurr was invited to the 2021 U.S. Olympic Trials and placed 21st in the 200m dash. Johnson III will provide USC depth in the 100m and 200m.

Senior Sam VanDorpe heads the distance crew. He has reached the NCAA quarterfinals in the 800m twice and ranks seventh on USC's all-time indoor 800m list. Ranking sixth on that list is redshirt junior from Cal Poly San Luis Obispo who during the indoor season cracked USC's all-time top 10 in the 800m and 1-mile races (9th). Joining the Trojan middle distance group are sophomores Jack Carter and Josh Ligas and freshmen Kennie Arriola, Morgan Fierro, Dylan Gatua and Alex Mainvielle.

Senior Tade Ojora earned 2021 All-America honors in the 110m hurdles by placing sixth in the NCAA final. He then won the British Athletics 110m hurdles title with a PR of 13.38 which ranks fifth on USC's all-time list. Junior Zion Gordon has only competed indoors for the Trojans prior to this season. He is a former Colorado state champion in the 110m hurdles and 100m dash.

Sophomore Trey Knight seems poised for a breakout season in the hammer throw. He had a strong freshman campaign, finishing fifth in the Pac-12 Championships in the hammer throw and posting the ninth-farthest mark in school history. Redshirt sophomore Christian Johnson competed in three implements for USC last season, including in the hammer throw and discus throw at the Pac-12 Championships. Freshman Nikolas Polychroniou was the U18 world-leader in the hammer throw in 2020. Senior Dylan Lange will also compete for USC in the javelin throw.

All-American and USC indoor record-holder in the men's high jump Ernest Sears III returns to lead the jumps crew. Sears places seventh in the high jump at the 2021 NCAA Outdoor Championships. Redshirt junior Jalyn Jackson placed fifth in both the long jump and triple jump at the Pac-12 Championships a year ago and went on to reach the NCAA Championships in the triple jump, earning second-team All-America honors. Sophomore Dallas Wise transferred to USC from Coastal Carolina after the first semester of the 2021-22 season and will compete in the long, triple and high jump. He is fresh off earning a silver medal in the high jump and fourth in the long jump in the T46/47 category at the 2020 Paralympics held in August of 2021. Also, Austin Allen, the third of the Allen brothers, could add depth in the horizontal jumps.

There are lots of changes and new faces to the program, but as the saying goes, "The more things change, the more they stay the same." The parts may be a little different, but when you are talking USC track and field, you can expect the same high-end results, battling for titles and team championships. After all, they have the "Fight On!" attitude.

QUINCY WATTS

USC Director of Track & Field | First Season/9th With Program

Former Trojan Olympic great Quincy Watts was promoted to USC Director of Track and Field and Cross Country on June 17, 2021 after eight seasons on Caryl Smith Gilbert's staff as an assistant in charge of sprints, long hurdles and relays.

"Naming Quincy Watts, a Trojan Hall of Famer and Olympic legend, as our new director of track and

field and cross country is the best and right decision for us," said USC Athletic Director Mike Bohn. "His impact on both our men's and women's programs over the past eight years has been significant. Consistent with our vision to be the most student-athlete centered program in the country, engaging our student-athletes is an important part of every coaching search process, and I am so impressed with the overwhelming support Quincy has from our current team. He is also highly respected by our former student-athletes and the national track and field community. We are very excited to have a winner and decorated Trojan leading our program, and we have the utmost confidence that he will sustain and elevate the tradition of excellence the USC shield represents."

He was the 2021 U.S. Track & Field and Cross Country Coaches Association National Outdoor Women's Assistant Coach of the Year as well as the West Region Indoor and Outdoor Women's Assistant Coach of the Year. At the 2021 NCAA Indoor meet, he helped Kaelin Roberts to her second 400-meter title and the women's 4x400-meter relay team to a second place finish, while at last week's NCAA Outdoor meet Anna Cockrell was the 400-meter hurdles champ, the women won the 4x100-meter relay and three women earned All-America honors in the 400 meters (the first time by any school in the event since 2014).

In his eight years (2014-21) as a USC assistant, the Women of Troy had four Top 3 finishes at the NCAA meet, including winning it in 2018 and 2021 and placing second in 2019, and they never finished below second place at the Pac-12 meet. The Trojan men had a quartet of Top 5 NCAA finishes and Pac-12 runner-up finishes.

Watts guided Trojans to 86 indoor and outdoor All-America honors in the 400 meters, 400-meter hurdles and 4x400-meter relay. His Trojan athletes also claimed 19 NCAA titles and 26 Pac-12 crowns, and they set three collegiate records and 24 school records plus all four USC freshman 400-meter records and the women's 400-meter hurdles freshman record.

Besides Cockrell and Roberts, among the other champion Trojan athletes that Watts has coached are Michael Norman, Rai Benjamin, Ricky Morgan Jr., Cameron Samuel, Kendall Ellis, Kyra Constantine, Bailey Lear, Jaide Stepter, Amalie Luel, Nicole Yeargin and Vanessa Jones.

The 2020 season did not finish due to COVID-19, but he guided Kyra Constantine, Bailey Lear and Kaelin Roberts to indoor 400m All-America honors and those three and Anna Cockrell to All-America honors in the indoor 4x400m relay

In 2019, Watts guided Kaelin Roberts to the NCAA Indoor 400m title and Kyra Constantine to both indoor and outdoor All-America honors in the event. In addition, the women's 4x400m relay earned All-America honors both indoors and outdoors. Watts was named the 2019 West Region Indoor Assistant Coach of the Year.

In 2018 Watts helped guide his athletes to a banner year which earned him U.S. Track & Field and Cross Country Coaches Association (USTF-CCCA) Men's Assistant Coach of the Year and NCAA West Region Assistant Coach of the Year honors. Watts guided Michael Norman in the 400m dash and the men's 4x400m relay team of Ricky Morgan Jr., Rai Benjamin,

Zach Shinnick and Norman to NCAA titles and collegiate records at the 2018 NCAA T&F Championships. Norman won the 400m race with a collegiate, NCAA Championships and Hayward Field record time of 43.61. The 4x400m relay won its title with an all-time NCAA, NCAA Championships and school-record time of 2:59.00. Watts also coached Norman to a Pac-12 400m title with a time of 44.40. He also guided the 4x100m relay to a Pac-12 title and this season it posted two of the top five times ever by Trojans in the event. He also guided Rai Benjamin to a time of 44.74 in the 400m, sixth on USC's all-time list and fifth in the country during the regular season. Kendall Ellis set the USC indoor and outdoor 400m records and became the third NCAA woman athlete to run sub-50 in the 400m when she won the Pac-12 title with a time of 49.99. Ellis placed second in the 400m at the NCAA Championships and then ran an epic anchor leg for USC's women's 4x400m relay which won with a time of 3:27.06 to clinch the team title. Ellis' time of 50.34 to win the NCAA indoor title set the USC, collegiate and USA 400m records. Watts continues to train Olympians Norman and Benjamin who began their professional careers after combining to set three collegiate records at the NCAA Championships.

In 2017, Watts guided Ellis to then USC records in the women's indoor (51.52) and outdoor (50.00) 400m race, a second-place finish at the NCAA Indoor Championships and a third-place finish at the Outdoor Championships. Cameron Pettigrew also reached the women's final and Michael Norman also became a 400m All-American on the men's side. Norman also set the USC freshman record with a time of 44.60. Both Norman and Ellis also won Pac-12 400m titles. Watts again had great success with the relays with the women's 4x400m relay winning the indoor title and placing second outdoors, while setting the indoor collegiate record (3:27.03) and running the second-fastest time ever outdoors (3:23.35). The men's team set the school indoor record and ran its fastest outdoor time since 2012. Ellis also qualified during the summer to represent the USA in the 400m at

the World Championships. Watts also worked with the 400m hurdlers Anna Cockrell and Amalie Iuel, who placed second and third respectively at the NCAA Championships and Cockrell setting the Trojan freshman record with a time of 55.14 at the USA T&F Championships.

In 2016, Ricky Morgan garnered 400m All-America honors and Jaide Stepter set the then school indoor and outdoor 400m records. The USC women's relays both set school records. Stepter also was a 400m hurdles All-American, won her third consecutive conference hurdles title and tied the school record with a time of 54.95 at the USA T&F Championships. He also worked with Pac-12 heptathlon champion Amalie Iuel, guiding her to a time of 2:06.34 in the 800m race which clinched the title and was the 10th-fastest time ever run by a Trojan woman.

In 2015 he coached Vanessa Jones to the Pac-12 women's 400m title and Ellis to the USC women's freshman outdoor 400m record and Morgan to the men's freshman indoor record. All three runners advanced to the NCAA semifinals in the event. At the time, Jones ran the second-fastest 400m time ever by a USC woman of 51.50 to win the conference title. Ellis' freshman record of 52.32 was set in winning the 400m at the USATF Juniors. He also guided the talented quartet of Stepter, Amalie Iuel, Ellis and Jones which won the Pac-12 title, earned a second-place finish at the NCAA Championships and set both the USC indoor and outdoor 4x400m records. Iuel and Stepter were All-Americans in the 400m hurdles and Stepter won the Pac-12 title in the event.

In his first season back home at USC, Watts helped guide the men's and women's sprinters post some impressive marks. His best works was with the 400m runners as Akawkaw Ndipagbor won the MPSF indoor 400m title and then earned indoor All-America honors and set the school indoor record. Three USC women and one male scored at the Pac-12 Championships in the 400m dash. Stepter won her first Pac-12 400m hurdles title.

Watts spent the 2012 and 2013 seasons as an assistant coach at CS Northridge, primarily working with the distance runners and cross country team. Prior to that, he was an assistant coach at Harvard-Westlake High in Los Angeles (Calif.), where he helped develop one of the strongest distance programs in the country. He began his coaching career as head coach at his prep alma mater, Taft High in Woodland Hills (Calif.).

Watts came to USC from Taft specializing in the 100- and 200-meter dashes, then turned into one of the best 400-meter runners in Trojan history. The four-year (1989-92) letterman won the 1992 NCAA 400-meter race in 44.00, a meet record that stood for 25 years. Watts also ran the anchor leg on the 4x400-meter relay team that set a school record of 3:00.58 while placing second at those NAAs. As a junior, he finished second in the 400 meters at the 1991 NCAA Championships.

Watts, who was inducted into the USC Athletic Hall of Fame in 2012, also was a wide receiver on the Trojan football team in 1990.

At the 1992 Olympic Games in Barcelona, Watts twice broke Lee Evans' Olympic record in winning the 400 meters. He ran 43.71 in the semifinal before clocking 43.50 in the final (that still stands as the USC record) to become the first 400-meter athlete to run sub-44.0 in a championship meet. He then teamed with Andrew Valmon, Michael Johnson and Steve Lewis to win the gold in the 4x400-meter relay in a then-world record time of 2:55.74 (he ran the second leg in a blistering 43.10).

He also earned a gold medal in the 4x400-meter relay at the 1993 World Championships (in a still-standing world record time of 2:54.29), and a silver medal in that relay at the 1991 World Championships.

Watts was ranked in the world Top 10 in the 400 meters for four consecutive years (1991-94), including No. 1 in 1992.

A native of Detroit, Mich., he was born on June 19, 1970. He and his wife, Kelly, have three children, daughters Talize and Kylie and son Quincy Jr.

ASSISTANT COACHES

JEBREH HARRIS

Assoc. Head Coach Cross Country, Asst. Coach T&F | Second Season

Jebreh Harris is in his first season as USC's associate head coach of cross country and assistant track and field coach for distances, begin promoted to the current position by Director of Track & Field Quincy Watts in the summer of 2021. Harris was originally named the assistant coach for distances and cross country with the USC track and field program on Oct. 21, 2020.

In his first season at USC which didn't begin until late October, Harris guided Isaiah Jewett to a

birth on the U.S. Olympic team and to the NCAA and Pac-12 men's 800m titles. Jewett set the school record with a time of 1:44.68 to earn the first NCAA 800m title by a Trojan on June 11, then broke it with a time of 1:43.85 on June 21 at the U.S. Team Trials to finish second and make the U.S. Olympic team for the Tokyo Olympics. Jewett improved over two seconds in his one season working with Harris and broke the school record by more than a second, a record which had stood for 33 years. George Gleason in his one season of working with Harris posted two USC all-time top 10 times, running the third-fastest 5000m time of 14:12.16 and the fifth-fastest 1500m time ever by a Trojan of 3:44.15. Alyssa Brewer and Jemima Russell both advanced to the NCAA West Preliminary Rounds in the women's 800m.

Harris came to USC from Illinois, where he served as an assistant coach for middle distances and long sprints the two previous seasons. Prior to his stint at Illinois Harris was the head cross country and assistant track and field coach at UNLV from 2012-18. He was also the recruiting coordinator at UNLV for both the track and cross country programs. In addition he served at the 2019 U20 Pan American women's distance coach, the 2018 IAAF U20 World Team men's distance coach and the 2016 U23 NACAC event manager.

In his short time at Illinois, Harris coached freshman Tracy Towns to one of the top 1000m times in program history (2:49.16), later that indoor season Towns scored in the 2020 Big 10 Indoor Championships while racing in the 800m. Also at the 2020 Big 10 Indoor Championships, Harris' event group contributed to scoring points for the Fighting Illini in the men's and women's DMR. Unfortunately due to COVID-19, the outdoor season was cancelled. At the 2019 Big 10 Indoor Championships the Illini Women's DMR took third place with Felicia Phillips contributing on the 400m leg. Konrad Eiring placed first in the 1000m at the Larry Wieczorek Invitational earning him a personal best time in the event (2:26.10).

In his time at UNLV, Harris coached Avi'Tal Wilson-Perteete to the second fastest NCAA 800m time of 2:01.14. Wilson-Perteete earned second-team All-America honors in the 800m for both the indoor and outdoor seasons and broke the Mountain West record in the 800m. Harris also coached Kaysee Pilgrim to a third-place finish in the high jump at NCAA Championships in 2017 and she posted a PR of 6-2.75 earlier that season. Pilgrim earned first-team All-American honors in the high jump and set the Conference record in the high jump.

In total, Harris coached five individual and five relay MWC Conference Champions and 20 All-Conference track and field performances at UNLV. He assisted in leading the UNLV track & field program to the Mountain West Conference Indoor Championship title in 2018. Harris coached UNLV school records in six events: the indoor and outdoor Distance Medley Relay (DMR), indoor 800m, indoor 600m, indoor 5k and outdoor high jump. The 2018 indoor DMR team clocked a time of 11:31.59A, breaking a previous school record that had stood for 20 years.

Before UNLV, Harris spent two years at South Carolina State as assistant head coach of cross country and track & field. He coached Seymour Walter when Walter broke the U.S. Virgin Islands national record in the 800m, posting a time of 1:49.19. Walter went on to compete at NACAC U23, CAC, and World University Games for the USVI. Harris also coached the women's cross-country team to runner-up in the Mid-Eastern Athletic Conference. He coached Brittany Stewart to an outdoor 5K conference title, and to a second-place finish at cross country conference championships. 23 school records were broken in his tenure at SCSU.

Harris began his coaching career as a volunteer assistant coach for five years at the University of Tennessee. In 2005, he was on a staff under cross country coach, George Watts where the cross-country team made its first NCAA Championships appearance in three seasons. As a volunteer coach he assisted Tennessee in achieving a team title at the 2003 SEC Indoor Track & Field Championship.

A native of Decatur, Georgia, Harris ran collegiately at the University of Tennessee, where he earned his undergraduate degree in graphic design in 2002. He was a two-time NCAA All-American in the distance medley and the 4x400m relay. He helped lead the team to both NCAA and SEC Outdoor Championships team titles in 2001. Harris also competed at Alabama State prior to Tennessee where he earned all-conference awards in cross country and track & field.

Following college he had a strong professional career which included being ranked No. 2 in the U.S. in the 800m in 2007 and posting a PR of 1:45.56. He competed in two U.S. Olympic Trials finals in the 800m (2004 & 2008) and at seven USATF Championships in total. He ran the leadoff leg for USA's 4x800m relay team which set the U.S. record with a time of 7:02.82 at the Memorial Van Damme Meet in Brussels, Belgium on August 25, 2006, a record which still stands.

DAN LANGE

Assistant Coach, Throws | 33rd Season

Dan Lange has coached the USC throwers for 32 seasons and is one of the nation's most respected teachers, having guided his athletes to All-American honors 70 times. He also has coached Trojan throwers to 13 school records and 29 individual Pac-12 titles.

If you want to measure his impact on the Trojan throws program, you have to go no farther than the USC top 10 lists as all but one of the top 10 male and female hammer throwers in school history have been coached by Lange and all but one of the USC record-holders in the men's and women's hammer, discus, javelin and shot put have been coached by Lange. For

21 consecutive seasons (1993- 2013) he guided at least one Trojan hammer thrower to All-America honors.

During the 2021 season Matthew Katnik and McKay Johnson earned second-team All-America honors in the shot put as did Nathan Bultman in the hammer throw. Bultman also won his second Pac-12 hammer throw title, while Katnik was second and Johnson third in the shot put at the conference meet. Katnik set the USC shot put record with a mark of 68-1.50 (20.76m) in winning the USC-UCLA Dual Meet title in the event. Joy McArthur finished sixth in the women's hammer throw at the Pac-12 Championships and advanced to the NCAA semifinal in the event. All four of these athletes posted USC all-time top five marks during the season. In the 2021 indoor season, Johnson set the USC indoor shot put record with a mark of 70-4.50 (21.45m) and Trey Knight set the Trojan freshman weight throw record with a mark of 64-8.50 (19.72m).

Nathan Bultman was named a 2020 NCAA indoor All-American in the weight throw, and in 2019 he guided Matthew Katnik to All-America honors in the shot put in both the indoor and outdoor seasons. In 2018, he guided Bultman to the Pac-12 men's hammer throw title and to No. 10 on USC's all-time list in the event. Bultman also scored in the discus throw, Nick Ponzio scored in the discus and shot put, Breana Jemison scored in the shot put and Joy McArthur in the hammer throw at the conference meet. Ponzio and Jemison advanced to the NCAA semifinals in the shot put to earn second-team All-America honors. Jemison set the USC women's shot put record with a mark of 57-7.75 (17.57m).

In 2017, he guided Nick Ponzio and Brittany Mann to All-America honors in the shot put, and Mann and Matthew Katnik posted Trojan all-time top 10 marks in the shot put. During the indoor season, Mann broke the USC women's weight throw and shot put records and became an indoor shot put All-American, while Katnik had the second-farthest shot put mark in school history and the men's team posted four Trojan top 10 marks.

In 2016, he coached Tera Novy to All-America honors in the discus throw and she set the school discus throw record with a mark of 200-5. The season before, he coached Conor McCullough to the 2015 NCAA men's hammer throw title and Alexandra Collatz, Novy and Nick Ponzio to All-American honors. McCullough represented the USA in the hammer throw at the 2016 Olympics.

In 2014, Collatz was an All-American and Collatz and Remington Conatser won Pac-12 titles, while his athletes scored seven times at the conference meet. In 2013, Conatser (2nd, hammer), Jenny Ozorai (4th, hammer) and Collatz (5th, discus) all earned All-America honors. In addition, Conatser won a Pac-12 title and Ozorai placed second and Collatz fourth in their events at the Pac-12 Championships.

In 2012, Lange coached Ozorai and Marissa Minderler in the hammer and Kristine Busa in the javelin to first team All-America honors. Minderler won her second-straight Pac-12 hammer title, but more impressive is that USC had 4 of the top 8 finishers, with Ozorai second, Jade Niemeyer fifth and Lauren Chambers eighth to earn USC 23 points in the conference meet.

In 2011, he coached Trey Henderson and Ozorai in the hammer to All-America honors, with Henderson, Minderler (hammer) and Cooper Thompson (javelin) winning Pac-10 titles. In 2010, Henderson in the hammer and Aaron Dan in the discus earned All-American honors with fifth-place finishes at the NAAs. In 2008, Lange helped guide Eva Orban to the NCAA title in the women's hammer, while Corey White took second in the men's javelin. In 2009, they both were NCAA runners up and Kristine Busa placed 8th in the women's javelin.

In 2008, Corey White came up just short of an NCAA title in the javelin, but during the course of the season set a new school standard in the event with a throw of 267-10, more than 23 feet farther than the previous school record. In 2009, he again finished second at the NAAs and pushed his school record in the javelin to 272-2. On the women's side, Lange helped Eva Orban reach new heights as she became the first Trojan female to win an NCAA title in the hammer and broke her own school record with a throw of 230-3.

The 2007 season could have been Lange's finest work with the men's throwers as Noah Bryant set the school record in the shot, a record that had stood for

35 years, and won the NCAA indoor and outdoor shot titles. In addition, Adam Midles was an All-American and had the then fourth-best hammer throw in school history, Bryant had the eighth best hammer mark, William Denbo the sixth best shot put and Stenn Parton the ninth farthest javelin throw by a Trojan. Lange was honored after the season by being named the West Region top assistant coach in men's throws for the second consecutive season. He also guided Orban to All-American honors in the hammer again (3rd place), a NCAA West hammer title and a second-place finish at the Pac-10 Championships.

Lange coached three USC record-setters in 2006 as Eva Orban set the school record in the hammer with a Pac-10 and West Regional record-throw of 226-8, Kate Hutchinson set the then-USC record in the discus with a toss of 189-5 and Karen Freberg set the shot put standard with a mark of 57-7.50. Orban won the hammer at the Pac-10s and the West Regional and placed second in the event at the NAAs. Hutchinson placed second at the Pac-10 Championships and won the discus competition at the West Regional which gave Troy a share of the women's title. He also guided two male Trojans to All-American honors as Bryant placed seventh in the shot and Midles seventh in the men's hammer.

In 2005 Midles placed sixth in the hammer throw at the NCAA Championships and in 2004 Michael Murray earned All-America honors in the hammer throw, L'Orangerie Crawford was an All-American in the women's shot put and Inga Stasiulionyte took second at the NAAs in the women's javelin throw. Stasiulionyte also threw 204-3 (62.27m) to win the Lithuanian Championship and qualify for the Olympics. In 2003, Stasiulionyte placed second in the javelin throw and Julianna Tudja was second in the hammer throw at the NCAA Championships. In 2002 Stasiulionyte again was second in the javelin and Crawford was sixth in the hammer throw at the NAAs.

His throwers helped the USC women's team earn its first NCAA women's team title as Stasiulionyte won the javelin throw as a freshman, Tudja was third in the hammer throw and Cynthia Ademiluyi was third in the shot put. Norbert Horvath placed fifth in the men's hammer throw to make it a nine-year run by the USC men with a hammer throw All-American. It was Horvath's third-straight time scoring in the event at NAAs and he also won the Pac-12 title for the third straight season.

At the 2000 Pac-10 Championships, USC's men continued its men's hammer domination, sweeping the top four spots to key the Trojans' title run. Horvath went on to place fifth at the NCAA Championships and Jennifer Vail placed sixth in the women's hammer throw.

From 1993-1999, Lange men's throwers were especially domineering in the hammer throw as they captured five NCAA titles and finished second three times. First he guided former Trojan and 1996 Olympic gold medalist Balazs Kiss to four consecutive NCAA hammer throw championships from 1993-96 (and a collegiate record) and aided USC throwers across the board with his vast knowledge in the sport. In 1997, despite the departure of Kiss, Lange made it five in a row, coaching Bengt Johansson to the 1997 NCAA hammer title. Johansson was runner up in the hammer in 1998, as was Horvath in 1999.

From 1992-99 at the NCAA Championships, he guided Allison Franke to a seventh-place finish in the discus throw in 1992, Leslie Coons to a third-place finish in the hammer throw in 1996, Ashley Selman to a second-place finish in the javelin throw and Vail to a sixth-place finish in the hammer throw in 1999.

He also was instrumental in guiding Nia Ali to a fourth-place finish in the heptathlon at the 2009 NCAA Championships.

Outside of USC, Lange coached hammer thrower Lisa Misipeka to the American Samoa record in that event and to the Olympics. He also worked with Tudja after she left USC and guided her to the Olympics. He was the coach for No. 1-ranked discus thrower Adam Setliff, three-time U.S. discus champion and two-time U.S. Olympian.

A four-year letterman at Cal State Northridge and three-time NCAA Division II championship meet qualifier, Lange also earned All-American honors in the hammer. Lange studied exercise physiology at Cal State Northridge and also works as a sports fitness consultant and as a human performance consultant for business professionals.

Lange resides in Valencia, Calif. and has two sons, Dylan and Dalton. His son Dylan is a redshirt sophomore on the USC track and field team. His son Dylan is a redshirt sophomore on the USC track and field team.

He also led Thea Shaw to a MEAC title in the pentathlon.

The 2018-19 seasons saw Quamecha Morrison finish second in the high jump at the NCAA Indoor National Championships and Nichols qualify for the NCAA Outdoor Championships. In 2017-18, Price took the reins of the short sprint/relay group to go along with his duties of jump coach. Under his guidance the sprint group showed improvement across the board, while the men's 4x100m just missed going to the final round of the NCAA Outdoor Championships with a time of 39.64 was just .03 away from moving forward and the women's 4x100m advanced to the the NCAA Semifinals where it posted a time of 44.49.

In the 2016-17 season triple jumper Michael Tiller had the top jump at the NCAA East Preliminary Rounds and placed 12th in the event at the NCAA Outdoor Championships. Tiller became the first Wildcat since Ronnie Ash, a 2016 Olympian, to qualify for indoor and outdoor national meets and finished his career with his fourth and fifth Mid-Eastern Athletic Conference titles in the event.

In 2015-16, his athletes swept the MEAC Indoor men's high jump at the Conference Championship. Also, Tiller and Kelton Williams went onto

represent Bethune-Cookman at the USATF Indoor Championships in the high jump and triple jump. Summer Brown came on strong with an MEAC Outdoor Championship in the long jump and a fourth place finish in the triple jump.

In 2013-14, Wildcats horizontal jumpers made a significant impact under Price's tutelage. Freshman Kenneth Fisher collected both MEAC Indoor and Outdoor long jump titles and at the Outdoor Championships, Fisher teamed up with Demetrius Rooks and Nicholas Williams to make a B-CU long jump sweep on the podium.

Four of Price's jumpers qualified for the NCAA Outdoor Preliminary Rounds, with Fisher moving on to the NCAA Outdoor Championships. In addition, Fisher set a school record and earned second place at the USA Track & Field (USATF) Junior Championships, garnering him a place on Team USA for the IAAF World Junior Championships.

Prior to Bethune-Cookman, Price spent six seasons as the head track and field and cross country coach at South Carolina State. At SCSU he coached 51 NCAA Regional qualifiers, 2 NCAA Indoor qualifiers, 5 NCAA All-Americans, 8 NCAA Outdoor Qualifiers, 4 USA Junior National qualifiers, over 125 MEAC All-Conference athletes, over 70 MEAC Commissioner's All-Academic Team honorees, 30 MEAC Champions, two MEAC record holders, 41 SCSU school record holders, 11 B-CU school record holders, and one IAAF World Juniors (Team USA) performer.

Price joined the SCSU staff after serving four seasons as the head men's cross country/track & field coach, and three seasons as the head women's cross country/track & field coach at Fort Valley State University. At FVSU, he produced 37 NCAA Division II National qualifiers (2004-07), 23 NCAA Division II All-Americans, 5 NCAA Division II Individual National Champions, 27 Southern Intercollegiate Athletic Conference (SIAC) Champions, 139 All-SIAC Conference athletes, the 2005 USTFCCCA South Region Track Athlete of the Year, the 2006 USTFCCCA South Region Track Athlete of the Year and the 2006 USTFCCCA South Region Field Athlete of the Year.

Prior to his stint at Fort Valley, Price served three seasons as the assistant head coach at Morris Brown College in Atlanta. He also severed as an assistant with "In the Black Track Club", which produced the 14th ranked 4x400m relay in the world, as well as the sixth place finisher in the triple jump in the 2001 USA Indoor Championships.

Price was a member of the SC State University track & field team for four years (1995-98), and also was a member of the SC State University football team (1995). JOANNA HAYES

Assistant Coach, Sprints & Hurdles | First Season/6th With Program

2004 Olympic 100m hurdles gold medalist Joanna Hayes was named assistant coach, sprints and hurdles by Director of Track & Field Quincy Watts on July 12, 2021. She transitions into a full-time coach for the 2020-21 season. This will be Hayes' sixth season of working with the USC track and field program, the first two as an assistant coach and the last three as a volunteer assistant coach. She now transitions back to a full-time assistant coach for the 2021-22 season.

In addition to her work with the Trojans the last three years, Hayes has worked closely with the post-collegiate development of 400m hurdlers Rai Benjamin, No. 2 on the world men's all-time list and current American record-holder, as well as women's world record-holder Sydney McLaughlin.

During the 2021 season Hayes was instrumental in working with the USC 400m hurdlers on their workouts and race patterns. Anna Cockrell won both the NCAA 100m hurdles and 400m hurdles titles and Cameron Samuel earned All-America honors by placing third at the NCAA Championships. They both also won 2021 Pac-12 titles in their events.

Hayes was named the 2018 West Region Women's Track Assistant Coach of the Year by the U.S. Track & Field and Cross Country Coaches Association (USTFCCA). Hayes guided USC's short hurdlers to first, second, third, fifth and seventh at the Pac-12 Championships to score 30 points in the event and help lead the Trojans to the team title. Four of the hurdlers advanced to the NCAA Championships in the 100m hurdles, with all four ranking inside the USC all-time top seven in the event. She also guided Anna Cockrell to the Pac-12 title in the 400m hurdles, and Cockrell and Shante Robinson advanced to the NCAA Championships in the event. Cockrell earned 18.5 points at the Pac-12 meet and went on to place second in the 400m hurdles at the NCAA Championships. She also worked with the men's 400m hurdlers on technique and Rai Benjamin won the NCAA title with a time of 47.02, tying for the then second-fastest ever recorded, setting the USC and collegiate records. Cameron Samuel also rapidly improved and ran a PR of 50.29 to take second at the Pac-12 Championships, behind Benjamin. She also helped guide the Trojan sprinters, with the women's 4x100m relay team setting the school record with a time of 42.57 to win at the Mt. SAC Relays. Hayes also guided Cockrell to a second-place finish in the 60m hurdles with a time of 7.93 at the NCAA Indoor Championships. That time ranks third on USC's all-time indoor list.

2017 was her first season at USC and Hayes helped guide Trojan athletes to five All-America honors during the outdoor season and one during the indoor season. Her work with Cockrell helped lead her to indoor 60m hurdles and outdoor 100m hurdles and 400m hurdles All-America status. Cockrell also set the USC freshman records in the 60m hurdles and 400m hurdles. Cockrell and Amalie Iuel took second and third at the 2017 NCAA Championships in the 400m hurdles. At the 2017 Pac-12 Championships, USC had four women in the 100m hurdles final and three in the 400m hurdles final. USC athletes also posted four school top 10 marks during her first season of working with the hurdlers.

She also works closely with the sprinters and relay teams which posted 10 USC all-time top 10 marks during the 2017 season.

Hayes served as an assistant coach in the sprints and hurdles at UCLA from 2014-16, helping the Bruins earn several All-America honors in the hurdles and 4x100m relays.

Hayes won a gold medal in the 100m hurdles at the 2004 Olympic Games in Athens, setting an Olympic record with a time of 12.37, which still ranks her as the eighth-fastest U.S. performer all-time in the event. She finished the 2004 season ranked No. 1 in the world and earned USA Track & Field's Jesse Owens Award that year. She was also a gold medalist in the 400m hurdles at the 2003 Pan American Games.

While a collegian at UCLA, Hayes captured the NCAA 400m hurdles title as a senior in 1999 and won a total of seven Pac-10 titles in the hurdles

and relays. She was a six-time All-American and helped lead UCLA to three consecutive Pac-10 team titles from 1997-99 and two consecutive runner-up finishes at the NCAA Outdoor Championships from 1998-99.

Hayes, who graduated from UCLA in 2001 with a degree in Sociology, previously had been a track and field coach at Harvard-Westlake School in Los Angeles for six seasons and was a coach at the Brentwood Middle School in 2003.

She earned six All-American honors, set five school records and became the university's first U.S. Olympic Trials qualifier.

In addition to her success on the track, Ms. Jeter is deeply involved in community and philanthropic efforts, particularly those focused on health and fitness. She has organized community track clinics for youth and served as the official ambassador for the Healthy Compton initiative, a citywide program designed to promote healthy lifestyle choices.

When her aunt was diagnosed with breast cancer, Ms. Jeter used her platform as a record-setting athlete to raise awareness, collaborating with Nike on hot pink spikes that she wore in competition. In 2015, she was named the official ambassador for Susan G. Komen's California Circle of Promise Initiative, designed to promote breast cancer awareness among African American women.

In recognition of her incredible athletic achievements, her continued contributions to the sport of track and field, her dedication to her community and her success as a speaker and businesswoman, CSUDH and the California State University Board of Trustees bestowed an Honorary Doctor of Humane Letters degree on Jeter in May of 2019.

Jeter began her coaching career in 2004 as the track and field coach at Bishop Montgomery High School in California where she also served as assistant athletic director.

Jeter took second in the 100m dash at the 2012 Olympics with a time of 10.78, .03 seconds behind the winner Shelly-Anne Fraser-Pryce. RAI BENJAMIN

USA 400m hurdles record-holder and 2020 Olympic gold and silver medalist Rai Benjamin has joined the USC staff as a volunteer assistant coach beginning with the 2021-22 season.

Benjamin broke the American record which had stood for 29 years and earned a silver medal in an epic men's 400m hurdles final at the 2020 Tokyo Olympics with an amazing time of 46.17. Benjamin shaved 0.66 seconds off his previous

best of 46.83 which he set in winning his second American hurdles title at the U.S. Olympic Team Trials in June of 2021. Both Benjamin and Karsten Warholm of Norway, who won with a world-record time of 45.94, broke the previous world record in the event. Benjamin also earned a gold medal by anchoring USA's 4x400m relay which won with a time of 2:55.70.

Benjamin won his first USA 400m hurdles title in 2019 and then went on to place second in the event at the 2019 World Championships, while also earning a gold medal as part of USA's 4x400m relay.

Since he turned pro in 2018 he has enjoyed success on the Diamond League circuit, winning Diamond League 400m hurdles titles in 2019 in Rome and Stanford and in 2021 in Doha. He also won the Boston World Indoor 300m title in 2019.

Benjamin only competed for USC for the 2018 season, but he made it a memorable one setting two NCAA and school records and leading the Trojans to a fourth-place finish at the NCAA Championships. He won the 400m hurdles title with a collegiate record of 47.02 and ran on the school and NCAA record-setting relay which posted a time of 2:59.00, breaking the previous record which had stood for 13 years by nearly a full second. Benjamin's winning hurdles time of 47.02 tied Edwin Moses for the second-fastest men's 400m hurdles race ever recorded. During the 2018 indoor season, Benjamin took second in the 200m and ran on USC's winning 4x400m relay which set the collegiate record with a time of 2:00.77. Benjamin began his career at UCLA and in 2017 placed second in the 400m hurdles at the NCAA Championships. The three-time hurdles All-American also placed sixth in the 400m hurdles at the NCAA Championships as a freshman in 2016.

In 2015 at the CARIFA U20 Games he placed second in the 400m (representing Antigua) and in 2013 at the World Youth Championships, he placed 15th in the 400m hurdles (representing Antigua). Benjamin was able to apply for a transfer of allegiance in 2018 and began running for USA in October of 2018.

Benjamin, from Mount Vernon, N.Y., graduated from USC in 2019 with a Political Science degree. His parents are Winston Benjamin and Jeanette Mason. They are natives of Antigua. His father played cricket for the West Indies and he was part of their eight-year unbeaten streak.

GENTRY BRADLEY

Gentry Bradley joined the USC track and field program as a volunteer assistant coach prior to the 2021-22 season.

Bradley ran collegiately at UCLA where he finished second in the 200m at the 1996 NCAA Championships which qualified him for the World University Games. At the World University Games, he won the 1997 gold medal in the 200m and 4x100 relay. Following college he remained on the UCLA campus, working with the emerging HSI sprint team led by coach John Smith, running

with Quincy Watts, Maurice Greene, Ato Boldon and Jon Drummond. In 1998 Bradley became US National Champion in the 200m and went on to finish second in the 200m at the 1998 IAAF Intercontinental Cup held in Johannesburg, South Africa. Bradley also competed in the 1997 IAAF World Championships in Athens, Greece.

Bradley was assistant sprint coach at Long Beach City College in 2007 and 2008. In 2008-2011 he was the head sprint coach for the Saudi Arabia Track and Field team. During the 2010 Asian Games Bradley's team earned gold in the men's 4x400 relay and set a new Saudi Arabia national record and No. 8 ranking in the world. His athletes also earned a silver medal in the men's 100m and a bronze medal in the men's 400m.

In December 2012 Bradley was asked to coach the Qatar Track and Field sprint team. He trained Samuel Francis (former Asian 100m record holder) to running a season best 10.08 in the 100m in 2013, results Francis hadn't achieved since 2008 and giving him a world 100m listing of No. 39.

In January 2014 Bradley coached Tosin Ogunode to an Asian indoor 60m record of 6.50. In March 2014, Bradley trained Ogunode's older brother, Femi Ogunode, who earned a Bronze medal in the 60m at the 2014 IAAF World Indoor Championships in Sopot, Poland. This would be Qatar's first IAAF medal in a sprint event in 21 years.

In September 2014 Bradley would increase his success with Femi Ogunode at the 2014 Asian Games in Incheon, South Korea. He guided Ogunode to gold medals in the 100m and 200m. Femi also set a new Asian 100m record of 9.93, resulting in an IAAF world listing of No. 5. He would also be ranked No. 6 in the 200m by Track and Field News for 2014.

Bradley continues to act as sprint consultant for several international athletes. Most recently he has reconnected with Femi Ogunode of Qatar structuring his training program for the 2020 Olympic Games, achieving 2020 best times of 10.00 and 20.16. Ogunode managed to advance to the semifinals of both the 100m and 200m.

Bradley prepped at Pius X High School in Downey, California. He won the 200m at the 1992 CIF California State Meet. Earlier in the day, he had finished second to Riley Washington's state record in the 100m. He beat Washington in the 200m.

Collins spent the previous five-plus years at Cincinnati as the Director of Olympic Sport Operations, joining the Bearcats' staff in May of 2016. He worked directly with the coaching staffs by providing administrative and operations support to coordinate all aspects of team travel and acted as a liaison between coaching staffs and the department of athletics. Additionally, he handled travel authorization and expense reports for recruiting and official visits. He also managed the budget and accounting of multiple sports throughout the department.

Collins began his career enlisting in the United States Navy in 2008. He spent a year and a half assigned to U.S. Naval Station Guantanamo Bay, Cuba before being transferred to Marine Corps Base Hawaii in Kaneohe Bay for three years. Throughout his naval service he was awarded three Navy and Marine Corps Achievement Medals, the National Defense Service Medal and the Global War on Terrorism Service Medal.

COURTNEY CORRIN

Recruiting Coordinator

Courtney Corrin was named the Recruiting Coordinator for the USC Track & Field Team during the summer of 2021 by USC Director of Track & Field Quincy Watts. In her current role, Corrin is in charge of maintaining the recruiting database and coordinating visits and activities for the team.

Corrin graduated from USC in 2021 with her BA in Law, History, and Culture. She was a four-time Marks Scholar recipient. Corrin came to USC in the Fall of 2016 as a dual sport athlete. She competed on the track & field team (2017-19), and the soccer team (2016), before deciding to focus solely on academics. As a freshman, Corrin was a member of USC's NCAA Champion Women's Soccer Team. As a Sophomore, Corrin won the 2018 Pac-12 long jump title with a leap of 21-4w (6.50m). In 2013, as a 15-year-old, she became the first ever freshman to clear 21 feet in the long jump at the USA Track and Field World Youth Trials held in Edwardsville, Illinois. Corrin's new record was far enough for a national record for any leapers aged 15 or younger, not to mention a top-15 leap across all age groups all-time in USA Track & Field sanctioned competition, not to mention one that comes within just more than three feet of the all-time world record. Her record leap also earned her a spot on the U.S. national team for the forthcoming World Youth Championships in Ukraine. In 2015, she won the USATF Juniors long jump title with a leap of 21-06.25w (6.56m) where she then went on to earn silver at the Pan Am Juniors. Corrin was named the L.A. The following athletes scored points for USC at the NCAA Indoor and Outdoor championships. The year, order of finish, class and time/mark is noted. Scoring in the NCAA meet scored the first 5 places the first two years, then the first 6 places through 1981, then from 1982-84 the top 12 scored. Since then, the top 8 spots have been counted. The NCAA conducted its meets in yardage through 1975, except for the Olympic years 1936, 1948, 1952, 1956, 1960, 1964, 1968 and 1972. Those Olympic years that are recorded in meters are denoted with (m) after the year.

USC REMEMBERS KATHERINE B. LOKER

Katherine Bogdanovich Loker who passed away on June 26, 2008 at the age of 92 was associated with USC for more than 60 years. A member of the Class of 1940, she was an English major and a star runner on the track team. She married stage and screen actor Donald P. Loker, whose professional name was Don Terry and who later served as an executive in the StarKist Foods Company, the firm founded by Katherine's father in 1917.

Katherine and her husband gave more than \$30 million to the university, placing them among the top individual benefactors in USC history. Together they were the principal benefactors of what is now the USC Loker Hydrocarbon Research Institute, where their support was instrumental in enabling Distinguished Professor George A. Olah to complete the research that led to his winning the 1994 Nobel Prize in Chemistry. Katherine was also a strong supporter of USC athletics, particularly track and field, which named its new stadium in her honor, and of the USC School of Theatre, where she established the Donald P. Loker Action Fellowship in memory of her beloved husband.

Katherine was elected an honorary trustee of USC in 2000. She received an honorary degree from USC in 1998 and USC's highest honor, the Presidential Medallion, in 2006. She was also the recipient of the Alumni Association's highest honor, and the Dean's Medallion for the USC College of Letters, Arts and Sciences.

She was a Presidential Associate, a member of the Board of Councilors of the USC College of Letters, Arts and Sciences, a life member of Town and Gown, and a member of the San Diego Trojan League. In 2005 she was inducted into the USC Athletic Hall of Fame and received its Spirit Award. In 2006 she received the USC Track and Field Heritage Award.

Katherine Loker's steadfast support of higher education extended beyond the University of Southern California. She served on the Committee of University Resources at Harvard and received the Harvard

Medal in 1995 and an honorary degree in 2000. She also served as a life member of the Advisory Board of California State University, Dominguez Hills, where she received an honorary degree in 1999; a trustee and foundation member of the California Science Center of Los Angeles; a foundation executive board member of the Nixon Presidential Library in Yorba Linda; and a founding member of the Los Angeles Music Center. She was an active supporter of the Donald P. Loker Cancer Treatment Center at the California Hospital Medical Center, Los Angeles.

Loker Award Established

For years the Trojans have honored the top male track and field athlete with the Cromwell Award and in 2012 the Loker Award has been established to honor USC's most outstanding female athlete. The award is being created to pay tribute to Katherine B. Loker, longtime USC track and field supporter who passed away in 2008.

Newly refurbished Cromwell Field and Loker Stadium was the site of the 2013 Pac-12 Track & Field Championships.

The USC track shown here just after the new surface was laid down. USC's Cromwell Field and Loker Stadium both underwent significant renovations over the winter break in preparation for the 2013 track and field season. Both the track and the infield were replaced and the exterior of Loker Stadium received a facelift.

USC installed a brand new Bynon BSS 2000 track, the same kind used at Hayward Field in Oregon, the site of the 2012 Olympic Trials and home to the 2014 NCAA Championships. In addition, a new all-weather Field Turf Revolution was installed in the infield of the track.

Also, the exterior of Loker Stadium, the fences and signs were repainted and the water fountains replaced. The landscaping was upgraded and new jumping pits and runways were added. In addition, new fiber was brought into the venue to provide an upgraded sight for broadcasts with the conference championships being televised by the Pac-12 Network.

The last time USC hosted the conference meet before 2013 was in 2003.

USC MEN'S TOP 10 PERFORMERS

Listed below are the Top 10 USC track and field performers in each outdoor event during seasons in which they represented USC through Sept. 1 of their senior year. It does not include marks made before or after attending USC, or during seasons in which they did not compete for USC. Current Trojans are listed in **bold**. (Note: Rankings are based on the conversion of plus .24 seconds from hand timing to electronic timing in the 100 and 200 meters, plus .14 in the 400 meters, as established by the NCAA, and are marked with a "+". For races above 400 meters, the electronic time is rounded off to the nearest tenth and marked with an "e". An "n" means non-winning.)

TROJANS SHINE AT 2020 TOKYO OLYMPICS

- Trojans Earn 6 Gold, 2 Silver & 5 Bronze Medals At The 2020 Tokyo Games -

Current and former Trojan students won a record 13 medals at the 2020 Olympics, six gold, two silver and five bronze. USC's previous record for most track and field medals won in a single Olympics was nine at the 2016 Rio Games. This was the fifth consecutive Summer Olympics in which a USC track and field athlete earned at least one gold medal and a Trojan track and field athlete has won at least one medal in every Olympics since 1912.

Felix's gold medal as part of the relay team was her 11th career Olympic medal, the most ever by an American track and field athlete, moving her past Carl Lewis who earned 10 medals. It also extends Felix's record for most Olympic medals ever won in track and field by a female track and field athlete. Felix earned her seventh gold medal which ties her with Katie Ledecky and trails only swimming great Jenny Thompson, who won eight, for most Olympic gold medals won by an American female athlete at the Summer Olympics.

Felix (USC-2008) and Dalilah Muhammad (USC 2012) ran the second and third legs respectively for Team USA's women's 4x400m relay team which ran away with the gold medal with a time of 3:16.85, winning by 3.68 seconds. To put that gap into perspective, the second-seventh place finishers were separated by a total of 3.43 seconds and three of those teams set national records. USA's women won the event at the Olympics for the seventh consecutive time, dating back to the 1996 Olympics. Muhammad's split of 48.94 was second in the entire field only to USA anchor Athing Mu's time of 48.32. Kendall Ellis (USC 2018) also earns gold for running a leg for the relay team in the first round.

Also running in the women's 4x400m relay final but falling short of the podium were Kyra Constantine of Canada which finished fourth with a season-best time of 3:21.84, 0.6 seconds out a medal position, and Nicole Yeargin of Great Britain, which took fifth with a season-best time of 3:22.59.

Michael Norman (USC 2018) and Rai Benjamin (USC 2018) ran the second and anchor legs respectively for USA's men's 4x400m relay which won the gold with a season-best time of 2:55.70. Norman took the lead for USA in the second lap and Benjamin brought the stick home with an impressive split of 43.40.

Trojans competing in track in field at the 2020 Olympics and earning medals were: **Rai Benjamin** (SILVER – M-400m H, GOLD – M-4x400m), **Aaron Brown** (BRONZE – M-4x100m), **Andre De Grasse** (GOLD – M-200m, BRONZE – M-100m, BRONZE – M-4x100m), **Kendall Ellis** (BRONZE - Mixed – 4x400m, GOLD – W-4x400m), **Allyson Felix** (BRONZE – W-400m, GOLD – W-400m Relay), **Dalilah Muhammad** (SILVER – W-400m H, GOLD – W-4x400m), **Michael Norman** (GOLD – M-4x400m)

Trojans were all over the track competing together like Dalilah Muhammad and Allyson Felix (above left) and against each other like Nicole Yeargin and Kyra Constantine (above right). USC had 15 athletes competing representing seven countries at the 2020 Tokyo Olympics.

Paths of Glory

The Story of USC's Unmatched Track & Field History

USC is well known as one of the most successful athletic programs in the history of the NCAA, with 133 men's and women's national championships. The Trojans have won far more NCAA team and individual titles combined than any other university. However, the most dominant force in USC's slate of athletic programs is not the baseball team (12 College World Series titles) or the football squad (nine national championships) but the men's track and field program, with an unprecedented 28 NCAA titles (2 indoor), including nine straight from 1935-43. The Trojan women have now joined the men's program with national titles in 2001, 2018 and 2021. Quincy Watts took over leadership of USC's program in June of 2021 and the success is expected to continue to grow.

Trojan athletes have dominated the track and field scene for decades. From the exploits of sprinter Charlie Paddock and thrower Clarence "Bud" Houser in the 1920s and 1930s, sprinter Mel Patton in the 1940s, thrower Parry O'Brien in the 1950s, sprinter Lennox Miller and pole vaulter Bob Seagren in the 1960s, sprinter Quincy Watts in the 1980s, to four-time NCAA hammer champion Balazs Kiss (only the fifth collegian to win four in a row) in the 1990s and World Champion hurdler Felix Sanchez in the 2000s, USC is synonymous with track and field excellence.

THE CROMWELL YEARS: 1909-1948

The roots of Troy's preeminence date back to 1926, when coach Dean Cromwell brought the first NCAA track and field cham-

Dean Cromwell

pionship to USC. Cromwell, who led the Trojans from 1909-48, also served as head coach of the football team for five seasons.

However, the foundation he laid was not on the gridiron but the cinderpaths. Cromwell's track squads won 12 NCAA championships and featured 34 NCAA individual champions. In addition, Cromwell was unanimously selected as headcoach of the victorious 1948 U.S. Olympic team, a group which featured five Trojans (Mel Patton, Bob Chambers, Roland Sink, Wilbur Thopson and Cliff Bourland). In fact, Patton, Thomson and Bourland brought home gold medals in their respective events from London, the Olympic site.

From 1935-43, USC experienced a streak of unequalled track and field success. No other university has come close to matching Troy's string of nine consecutive NCAA championships, all under Cromwell's watchful eye. Nicknamed the "Maker of Champions," he fashioned Trojan athletes into a powerhouse. At the 1936 Olympics in

Berlin, USC trackmen scored enough points (37 1/2) to have finished among the top five in the world. Cromwell's influence extended far beyond the USC campus to the corners of the world. He personally tutored champions in every Olympic Games from 1912 to 1948, and upon his retirement in 1949, "The Dean" remained involved as a regular figure in various Southland sporting events until his death in 1962.

TWO JESSES, NINE NATIONAL TITLES: 1949-1961

Jess Hill and Jess Mortensen, both integral parts of USC's proud athletic heritage, carried the track and field torch after Cromwell's retirement. Both men are still considered among the finest all-around athletes in USC history, and their accomplishments did not end after their playing days were over.

Hill, who lettered in three sports at USC (football, baseball and track), served as head coach of Troy's track and field program in 1949 and 1950, leading the Trojans to an undefeated season and national championship in both seasons. From 1951-56, Hill coached the football team, and in 1957, he began his tenure as USC athletic director, a position he held until 1972.

Mortensen's reign at USC also began as an undergraduate. The talented athlete lettered in track, basketball and football, winning the NCAA javelin title as a junior. After a 14-year coaching stint at Riverside Junior College, he returned to become coach of the Trojan track and field team in 1951, leading Troy to seven NCAA championships in his 11-year tenure. Mortensen's Trojan teams never lost a dual meet, going 79-0 between 1951 and 1961. He developed some of Troy's best-known trackmen, including Parry O'Brien and Max Truex. Sadly, "Mort" died suddenly at the age of 54 from complications caused by a blood clot. Hill, his longtime friend and teammate, stepped in as interim head coach for the 1962 season, and a new chapter in Trojan track and field history was about to begin.

THE WOLFE YEARS: 1963-1984

The prospect of succeeding three consecutive coaching legends would be a difficult task for anyone, but Vern Wolfe answered the challenge.

During his 22 years at the helm of the Trojan track and field program, USC captured five outdoor NCAA championships, including back-to-back titles in 1967 and 1968. A pole vaulter for Cromwell's Trojan teams, Wolfe also won indoor titles in 1967 and 1972. At the time of his retirement in 1984, he was the third-winningest coach in U.S. track history, all despite reductions in scholarships and the lack of a top-flight on-campus facility.

Wolfe, who competed in senior events as a pole vaulter, attacked all problems with a straight-ahead approach. He continued to win throughout his career and towards the end oversaw the modernization of Cromwell Field, USC's track facility which served as a training site for the 1984 Olympic Games in Los Angeles. And so, after 21 years on the job, Wolfe retired and gave way to Ernie Bullard.

Vern Wolfe

BULLARD AND BUSH: 1985-94

Another in the line of former Trojan athletes to become head coaches at USC, Ernie Bullard came to Troy from San Jose State, where he helped build the Spartans into a national contender. It didn't take long for Bullard to continue Troy's winning ways, recruiting athletes like sprinter Quincy Watts, a two-time gold medalist at the 1992 Olympic Games.

Jim Bush was the man picked to replace longtime friend Bullard in 1991. After all, who better to rebuild the USC program than the man who guided UCLA to five national championships?

Bush helped stabilize the program and recruited some of Troy's stars, like Balazs Kiss of Hungary, the 1993, 1994, 1995 and 1996 NCAA champion in the hammer throw. Consequently, he helped lay the foundation for the latest in the distinguished line of Trojan head track coaches: Ron Alice.

Ernie Bullard

Jim Bush

RON ALLICE: 1995-2013

Ron Alice, who prior to the 1995 season was named the Director of Track and Field for USC's combined men's and women's program, was no stranger to success. He distinguished himself at every level of competition, all in the Southland, and is well-known not only as a master builder, but a man who can keep a

program at the highest level year after year.

Alice came to Troy with impeccable credentials: 11 state championships in 16 years at Long Beach (Calif.) City College, where his 1980 squad was called "the best junior college team in history" by Track & Field News. During his tenure at Long Beach C.C., his teams lost just one dual meet.

He quickly went to work, guiding the USC men's team to a fourth-place finish at the 1995 NCAA Outdoor Championships. In 1996, his Women of Troy won their first-ever Pac-10 title. In 1997, he led the Trojan men's team to its first Pac-10 title since 1977 and a third-place showing at the 1997 NAAs. In 1999, the men won their second Pac-10 title in three years. At the NAAs, the women finished third and the men fifth (as a combined men's and women's program, this was the best finish in school history). In 2000, the men finished seventh--their seventh consecutive top 10 finish--while the women placed second--their highest finish ever. In 2001, Alice guided the Women of Troy to their first-ever NCAA team championship. In 2003, he led the men's team to a third-place finish, with three Trojans winning NCAA titles.

Alice's troops continued the winning ways, being the only school in the country to have both the men's and women's programs finish in the top 10 from 2005-07. In fact, four times between 2005-09 USC accomplished that feat with the only blemish being an 11th place finish by the women's team in 2008.

The Trojans also dominated at the Regional and conference level with the men's team capturing four regional titles and the women's team tying for one seven seasons, while the men earned one more Pac-10 title in 2006.

Alice retired after guiding the USC men's team to a fifth-place finish and the women's team to a 21st-place finish at the 2013 NCAA Championships. Bryshon Nellum in the 400m and Reggie Wyatt in the 400m IH both won individual titles. Alice guided the USC men's teams to a top 10 finish 14 times and the women's team to a top 10 finish 11 times.

Alice had a career dual meet record of 218-50-1 at five schools, and coached more than 286 first-team All-Americans, 32 individual NCAA champions, 54 Olympians, four world record holders and 7 American record holders.

Caryl Smith Gilbert

CARYL SMITH GILBERT: 2013-2021

Caryl Smith Gilbert took over the program on June 17, 2013 and led the men's team to a

fourth-place tie and the women to a 16th-place tie at the 2014 NCAA Championships in her first season. She also guided both teams to a second-place finish at the Pac-12 Championships. Throw in the women's indoor MPSF conference title and it is easy to see that the program was in good hands for future success.

In her second season USC's men placed 5th and the women 7th at the NAAs, as well as the women capturing the MPSF indoor title again. The teams both took second one again at the conference meet. They also combined to set four USC outdoor records and set four Trojan freshman outdoor marks. Despite a slew of injuries, the USC women tied for 9th and the men were 12th at the 2016 NCAA Championships and Randall Cunningham won the NCAA high jump title. Four more USC outdoor records were established and Smith Gilbert guided the men to the MPSF indoor team title. In 2017 USC's men and women placed second at the Pac-12 Championships and the women finished third at NAAs, their highest finish since 2006 and their 43 points were the team's most since 2002. 2018 was a banner year for the Trojans as the women's team captured the NCAA title in dramatic fashion in the meet's final race - the 4x400m - edging Georgia by one point. The men's team placed fourth, but along the way set three collegiate records - Michael Norman in the 400m, Rai Benjamin in the 400m H and the pair along with Ricky Morgan Jr. and Zach Shinnick in the 4x400m relay. The women's team also captured its first conference crown since 1996. The men's and women's team won MPSF indoor conference team titles and swept the USC-UCLA Dual Meet. Indoors the men took second and the women seventh at the 2018 NCAA Indoor Championships.

In 2019 the women won their second consecutive Pac-12 title and finished runner-up at the NCAA Indoor and Outdoor Championships. Annelus in the 200m, Terry in the 200m & the 4x100m relay set school records at the NCAA Outdoor Championships. The men's team placed fifth at the Pac-12 Championships, 17th indoors and 37th outdoors. Ayden Owens set the school record in the decathlon. The 2020 season had great promise but was cancelled due to COVID-19. Before things were shutdown, the USC women's team was taking a No.2 ranking and the men a No. 11 ranking to the NCAA Indoor Championships. USC didn't let the shutdown slow the momentum as the women won its third national title in 2021, led by Anna Cockrell's hurdles double and the men placed fifth behind the first men's 800m title in school history set by Isaiah Jewett.

Longtime decorated assistant, school record-holder and Olympic hero Quincy Watts took over the reigns to the program on June 17 and the future of the program couldn't be any brighter.

Quincy Watts

Right, in the spring of 1966, USC assistant track coach Willie Wilson was found to have terminal cancer. USC's two-mile relay of John Link, Dennis Carr, Bruce Bess and Dave Buck vowed to give him something special to remember and ran 7:14.4 to set a world record at the Los Angeles Coliseum on May 13, 1966.

WOMEN OF TROY CROSS COUNTRY

THE 2021 SEASON

It had been 671 days since the USC cross country team had competed when it finally saw action to open the 2021 season at the Mark Covert Classic in Brea, Calif. on Sept. 4. The Trojans featured 10 new athletes on the roster since the last time USC had competed in cross country during the 2019 season. Even head coach Jebreh Harris, hired on Oct. 21, 2020, was coaching his first USC cross country race as the 2020 season had been cancelled due to COVID-19. USC demonstrated that a strong foundation was being formed for the program as it placed third behind freshman Gigi Maccagnini's 12th-place finish, USC's highest team finish since winning the 2016 Pepperdine Invitational.

The freshmen led the way during the first four meets with Maccagnini also being USC's top finisher at the UC Riverside Invite, with fellow frosh Giovanna Pisano leading the Trojans at the Highlander Invitational and the Pac-12 Championships. Pisano finished 66th individually and the Trojans finished 11 overall at the Pac-12 Championships in Utah, USC's highest finish at the the Conference meet since also placing 11th in 2014. Pisano, one of USC's five freshman runners in the race, became the Trojans' highest finisher at the Pac-12 Championships since 2016. All eight USC runners improved their standing over the final 2K of the race.

USC fielded a cross country team at the NCAA West Regional for the first time since the 2014 season and senior Alyssa Brewer led the young Trojan squad to a 22nd -place finish in Sacramento, Calif. on Nov. 12.

The team also excelled in the classroom once again with the squad earning USTFCCCA All-Academic honors in the fall. The team sports a cumulative team grade-point average of 3.40. Additionally, Brewer, Alicia Liera and Jemima Russell were named to the Pac-12 Conference's 2021 Fall Academic Honor Roll.

KATHERINE B. LOKER STADIUM

Home of USC Track and Field

Katherine B. Loker Stadium was made possible by a generous donation from Katherine B. Loker. The 3,000-seat stadium opened in the 2001 season and was dedicated on May 5 during that year's USC-UCLA dual meet. The track and stadium underwent renovations in 2020 prior to the Trojans hosting the 2021 Pac-12 Championships. The facility includes track offices, locker rooms, an athlete lounge and meeting rooms. Loker Stadium also hosted the 2003 Pac-10 Championships, the first time a conference meet had ever been held on the USC campus, and the 2013 Pac-10 Championships.

Entering the 2017 season, Allyson Felix was ranked in the top two in the world in the 200m or 400m dashes 15 times. She has been ranked in the top 10 in the 200m 14 seasons, the 400m eight times and the 100m four times.

Nia Ali:

2016 100m HH Silver Medalist In Rio, 2017 & 2019 2nd at U.S. Championships, 2019 Gold Medalist at Worlds

Dalilah Muhammad:

2016 400m IH Gold Medalist In Rio, 2017 & 2019 U.S. Champ, 2019 Gold Medalist at Worlds

In 2016, Nia Ali became USC's first medalist in the women's 100m HH in Olympic competition. Ali had a time of 12.59 in the final. The sweep for USA was the first ever by one country in the event and just the seventh ever in any Summer Olympic event. In 2016, Dalilah Muhammad destroyed the field en route to the 400m IH gold medal with a time of 53.13, .42 seconds faster than the silver medalist, despite the second through sixth place finishers all running PRs. Muhammad became the first-ever USA woman to win the event at the Olympics and the second Trojan to medal as Natasha Danvers-Smith won the bronze medal at the 2008 Olympics in Great Britain.
