

Plant ID – Danie Miller trail

Amaryllidaceae	Brunsvigia orientalis
Amaryllidaceae	Haemanthus sp
Anacardiaceae	Heeria argentea
Anacardiaceae	Rhus angustifolia
Anacardiaceae	Rhus cuneifolia
Anacardiaceae	Rhus glauca
Anacardiaceae	Rhus lucida
Anacardiaceae	Rhus rosmarinifolia
Anacardiaceae	Rhus scytophylla
Anacardiaceae	Rhus tomentosa
Apocynaceae	Cysticapnos vesicaria
Araliaceae	Centella macrocarpa
Asparagaceae	Asparagus rubicundus
Asphodelaceae	Bulbine annua
Asteraceae	Arctotis acaulis
Asteraceae	Berkheya armata
Asteraceae	Berkheya barbata
Asteraceae	Chrysanthemoides monilifera
Asteraceae	Cullumia squarrosa
Asteraceae	Elytropappus glandulosus
Asteraceae	Felicia fruticosa
Asteraceae	Gymnodiscus capillaris
Asteraceae	Hymenolepis parviflora
Asteraceae	Metalasia muricata
Asteraceae	Osteospermum ciliatum
Asteraceae	Osteospermum spinosum
Asteraceae	Othonna digitata
Asteraceae	Othonna quinquedentata
Asteraceae	Phaenocoma prolifera
Asteraceae	Senecio elegans

Asteraceae	Senecio pterophorus #
Asteraceae	Stoebe cinerea
Boraginaceae	Lobostemon sp
Brassicaceae	Heliophila africana
Bruniaceae	Berzelia abrotanoides
Campanulaceae	Lobelia comosa
Campanulaceae	Lobelia coronopifolia
Celastraceae	Cassine peragua
Celastraceae	Maytenus oleoides
Celastraceae	Putterlickia pyracantha
Commelinaceae	Commelina africana
Crassulaceae	Crassula fascicularis
Ebenaceae	Diospyros glabra
Ericaceae	Erica imbricata
Euphorbiaceae	Clutia alaternoides
Euphorbiaceae	Euphorbia genistoides
Euphorbiaceae	Euphorbia tuberosa
Fabaceae	Acacia cyclops #
Fabaceae	Acacia elata #
Fabaceae	Acacia longifolia #
Fabaceae	Acacia saligna #
Fabaceae	Aspalathus astroites
Fabaceae	Aspalathus ciliaris
Fabaceae	Aspalathus cordata
Fabaceae	Indigofera sp
Fabaceae	Paraserianthus lophantha
Fabaceae	Psoralea aphylla
Fabaceae	Rafnia sp
Fern	Pellaea calomelanos
Fern	Pteridium aquilinum
Fern	Todea barbara
Geraniaceae	Geranium incanum
Geraniaceae	Pelargonium cucullatum

Geraniaceae	Pelargonium triste
Haemodoraceae	Wachendorphia sp
Hyacinthaceae	Lachenalia cf pustulata
Iridaceae	Aristea sp
Iridaceae	Ferraria sp
Iridaceae	Gladiolus gracilis
Iridaceae	Gladiolus sp.
Iridaceae	Moraea tripetala
Iridaceae	Watsonia sp.
Kiggelariaceae	Kiggelaria africana
Lamiaceae	Salvia africana-caerulea
Lauraceae	Cassytha ciliolata
Malvaceae	Hermannia hyssopifolia
Malvaceae	Hermannia multiflora
Mesembryanthemaceae	Erepsia gracilis
Montiniaceae	Montinia caryophyllacea
Myoporaceae	Myoporum #
Myrsinaceae	Myrsine africana
Myrtaceae	Eucalyptus spp. #
Oleaceae	Olea capensis
Oleaceae	Olea europaea subsp africana
Oxalidaceae	Oxalis luteola
Penaeaceae	Saltera sarcocolla
Pinaceae	Pinus halepensis #
Poaceae	Cymbopogon marginatus
Poaceae	Ehrharta calycina
Poaceae	Hyparrhenia sp
Poaceae	Pennisetum clandestinum #
Poaceae	Pennisetum macrourum (River Grass)
Poaceae	Pennisetum setaceum # (Feathertop)
Poaceae	Themeda triandra
Polygalaceae	Muraltia heisteria
Polygalaceae	Muraltia sp.

Proteaceae	Leucadendron laureolum
Proteaceae	Leucadendron salignum
Proteaceae	Leucadendron sessile
Proteaceae	<i>Leucospermum bolusii</i> (only found in the mountain above GB)
Proteaceae	Leucospermum conocarpodendron subsp viridum
Proteaceae	Protea laurifolia
Proteaceae	Protea nitida
Proteaceae	Protea repens
Restionaceae	Calopsis paniculatus
Restionaceae	Elegia stipularis
Restionaceae	Hypodiscus aristatus
Restionaceae	Nevillea obtusissima
Restionaceae	Thamnochortus sp.
Rhamnaceae	Phyllica 3 spp
Rhamnaceae	Trichocephalus stipularis
Rosaceae	Cliffortia ruscifolia
Rubiaceae	Anthospermum galioides
Rutaceae	Adenandra uniflora
Rutaceae	Diosma sp
Santalaceae	Osyris compressa
Santalaceae	Thesium strictum
Sapindaceae	Dodonaea angustifolia
Scrophulariaceae	Manulea cheiranthus
Scrophulariaceae	Nemesia affinis
Scrophulariaceae	Nemesia versicolor
Scrophulariaceae	Oftia africana
Scrophulariaceae	Sutera hispida
Scrophulariaceae	Zaluzianskya capensis
Solanaceae	Datura sp #
Solanaceae	Solanum mauritianum #
Thymelaeaceae	Gnidia pinifolia
Thymelaeaceae	Passerina corymbosa
Thymelaeaceae	Struthiola ciliaris

Verbenaceae

Lantana camara #

Zygophyllaceae

Roepera (Zygophyllum) flexuosum

= alien

131 species: probably about 20-30% of species to be found along the trail. The others will only be visible in other seasons and at different veld ages. Conspicuously missing are Orchids, Ericas and Sedges
